FERRYBOAT 'LUNCHTIME' RUNS BEING LAUNCHED

A ferry boat will ply between Sausalito and San Francisco, starting Saturday.

Russell G. Lewis of Cruise With Lewis announced today he will start a "lunchtime run" between the two cities, with a boat leaving San Francisco at 11 a.m. and Sausalito at 1:30 p.m. He said he plans to continue this service through the summer.

The boat, the 200-passenger Barbary Coast, will dock at Pier 45, Fisherman's Wharf, in San Francisco, and at Lewis's pier on the sandspit in Sausalito.

Both Lewis and William L. Howell, president of the Belvedere-Tiburon Commute Club, reported increasing memberships in their commute-by-ferry club service between Tiburon and San Francisco. Both said they have every intention of continuing the service.

Six Major Construction Jobs Halted By Strike

CIVIC CENTER SILENT—The Civic Center was the largest of six major construction jobs in Marin County shut down today by a strike of Hodcarriers and Common Laborers Union Local 291. Picket is unionist Reuben Mapes. (Independent-Journal photo)

Civic Center Among Picketed Marin Jobs

Work on six major Marin County construction jobs —including the multi-million-dollar Civic Center—halted today as laborers went on strike.

Idled by pickets of the Hodcarriers and Common Laborers Union Local 291 were the following projects:

Civic Center, under construction by Rothschild, Raffin and Weirick Inc., Safeway Store in Novato, being built by Midstate Construction Co.; Safeway store in San Rafael, by McDonald, Young and Nelson Construction Co.; sewage treatment plant in Tiburon, under construction by C. Norman Patterson; library at Dominican College, by Cahill Construction Co., and a housing tract in Loma Verde being built by Trousdale Construction Co.

County Administrator Alan Bruce said an immediate compromise would be sought on the Civic Center job through an emergency meeting, hoped for today, between the board of supervisors, George Goodfellow of the Laborers Union and Donald Weirick of the construction firm.

INTERIM CONTRACTS

Goodfellow said more Marin jobs would probably shut down before the day was out. Interim contracts have been signed, however, with about 20 of 200 independent contractors in Marin County, he reported.

The strike, which affects 46 counties in Northern California, followed expiration of contracts at midnight Monday between the Associated General Contractors and four major construction unions: laborers, cement finishers, carpenters, and construction truck drivers.

Cement finishers also walked off jobs today but did not set up picket lines.

STALEMATE ON TALKS

Terry O'Sullivan, business representative of the Northern California District Council of Laborers, said the strike was called after six weeks of continuous negotiations ended in a stalemate at midnight Monday.

The laborers, O'Sullivan said, are asking a three-year contract calling for an immediate 20-cent-an-hour wage increase plus a 20-cent fund for vacation plan and health and welfare benefits. The contract would grant another 20 cents in wages and 10 cents in vacation and welfare funds in 1963 and 1964.

Laborers now receive $3.22 an hour, plus 10 cents for health and welfare benefits. It is one of the few construction unions without a vacation plan.

Right To Construct 'Monstrosities' Held Fundamental

Everyone has the right to build his own monstrosity of a house—So long as it doesn't effect the health, welfare or safety of his neighbors—City Atty. Albert E. Bagshaw told San Rafael planning commissioners last night.

It is completely beyond the province of planners to demand aesthetic imagination in building design, he said.

Commissioners, who invited Bagshaw to a special meeting to answer 14 legal questions they posed, asked how far they can go in regulating the design, parking and beauty of a building.

"Until 10 years ago the law books said aesthetics had nothing to do with the police power under which the commission operates," Bagshaw said. "Now if a proposed building has a directly adverse affect on property values around it, you can control it. Parking is always a question of safety."

Commissioners do not have the power to approve a building on the condition it is made more beautiful, he added.

"Our powers are strongly limited," agreed Commissioner Gene F. O'Connor, "but our power to persuade people is the thing we should never overlook. By merely pointing out to them that changes would make a better building, we can get results."

"I'm not the conscience for San Rafael," cut in Commissioner Charles J. Hendrickson. "It's either legal or it's not legal. I don't believe in persuasion, and I'm opposed to any form of coercion."

Although Bagshaw told commissioners their pre-meeting trips to inspect sites were legal, providing they made no formal decision until meeting time, commissioners agreed to stop them.

"These trips are a waste of my time and yours," said Commossioner Orlando Conti. "You could take me out to the pig pens and I would have had a better time. We got lost (referring to a recent trip), and I can't see any reason for it. I'll go myself if I want to."

City Planner James R. Garrett said he would visit non-

'But People Need To Let Off Steam'

Citizens consider public meetings a "hippodrome" where the noisiest prevail, City Atty. Albert E. Bagshaw told San Rafael planning commissioners last night.

Asked by commissioners for advice on how to speed up meetings with long agendas, Bagshaw said:

"Cut off every rebuttal speech from the audience after one minute, and don't give anyone a second chance to speak. Public meetings have become almost an absurdity where people starved for an audience are permitted to get up and repeat themselves."

Bagshaw said persons asking the commission for something should be given precisely five minutes to explain themselves.

Commissioners who appeared somewhat startled, politely but firmly disagreed.

"When people come up here with blood in their eyes, they want their say," said Commissioner Orlando Conti. "If they get it, no matter what our decision is, they go away with some feeling for us. I say let them blow their corks."

"Our meetings rarely last too late," said Pat Hetherton, chairman. "There are ways to put them through quite fast without stopping them. I only have to say a meeting is closed, and it's closed."

TRANSIT DISTRICT PULLOUT IS VOTED

Marin County supervisors yesterday unanimously adopted a resolution withdrawing Marin from the Bay Area Rapid Transit District.

Their action was fast, seemingly perfunctory before an empty chamber at the end of a hard day. But it included notice that county taxpayers had sunk $225,000 which ought somehow to be recovered.

Nobody, however, was as yet ready with an answer as to how this was to be tackled.

A revised draft resolution by County Counsel E. Warren McGuire, included provision reserving all rights of recovery of the taxpayers' investment in the district.

The resolution recited that an engineering review board held rapid transit use of the Golden Gate Bridge wasn't feasible, that the district had "repeatedly requested" Marin withdrawal, and that this was done "with great reluctance."

"How do we get our money back?" asked Chairman Walter R. Castro as soon as Clerk George Gnoss had finished reading.

McGuire admitted that he "hadn't resolved it yet as to procedure."

Supervisors Act Like Ark Angels

By RANDALL GOULD

A dove of peace fluttered down over Sausalito's troubled arks and houseboats yesterday.

Its olive branch comprised a proposal from the waterfront dwellers to settle their own sewage disposal problem by joining the Sausalito-Marin City Sanitary District.

Marin County supervisors, plainly relieved but still mindful of a threat by the Bay Area Water Pollution Control Board, agreed to withhold action on a draft ordinance which would have required boat owners to acquire health department permits.

The ordinance, ready and waiting, contained provision for punitive possibility of $500 fine or six months imprisonment for every day of violation—termed "absurd" by attorney Frank Bowen, a boat dweller, who said it violated the principle that "the punishment should fit the crime."

Supervisor Peter Behr had a quick and amusing answer.

"I put in the continuing violation penalty," said he, "to bring this matter to a head—if we may use a nautical expression."

The boat owners were admonished to form a small effective committee at once, keeping contact with the supervisors and making progress reports every two weeks.

Behr laid down these ground rules and gained unanimous concurrence in continuing the question of the ordinance until June 12. Supervisor William Gnoss asked the Sausalitans to include a representative from the Black Point area.

County Sanitation Director William L. Desmond opened the meeting with a review of the situation which he said was

W. J. Murphy State Banks Chief, Dies

SAN FRANCISCO (AP)—William James Murphy, 62, California superintendent of banks who began his career as a $25 a month messenger in 1916, died today at his home.

Murphy had attended a meeting of the governor's council in Sacramento yesterday and returned home at midnight.

Death was presumed due to a heart attack.

His deep breathing alarmed his wife, Cynthia, who called their nephew, Owen J. Murphy, from his bedroom.

Murphy inspired California's trail blazing bank holiday on March 1, 1933, three days before President Franklin D. Roosevelt declared the nationwide bank closings.

In the crisis of 1933 Murphy had checked quietly on deposits and withdrawals throughout California, then decided "if there isn't a moratorium, some depositors will get their money and others will not."

An order was signed that night and all banks closed the next day. Most banks opened later. Two months later deposit insurance was started.

Sausalito Council Votes Children's Park

There will be a playground for children at 55 Cloud View Road in Sausalito, the city council decided unanimously last night.

Decision came after more than two hours debate in which children's noises were described as "beautiful," "gleeful" and just plain "hell."

The council heard opposition of Cloud View Road residents in a letter signed by Marie Fraser of 64 Cloud View and 39 others.

In person, a contingent of residents complained the playground is proposed for a spot where there are "extremely few children of playground age."

Parking is poor, noise would be objectionable and heavy foliage would make it difficult to supervise, the objectors said.

One letter was read favoring the park, from Mrs. Robert Shinn, Welcome Wagon representative, who said she had called on 60 residents in the area with one or more children.

Councilman Michael Harris told the audience: "Children don't bite the neighborhood. They are assets to our community."

John R. Minton, recreation commission chairman, presented the plan. He said William M. Roth of 100 Spencer Avenue had offered to lease the land to the city at $1 a month.

Minton said a "tremendous gap" was left with removal of Christ Church playgrounds. He said the Sausalito Foundation is interested in putting in equipment and that a small house on the property could be used for supervised activities.

Mrs. Sally Clapp Stapp, whose property adjoins the lot, said the house is a "tool shed."

Cloud View resident W. P. Cleary said: "There's nothing so beautiful as a child's laughter or crying. But when children all shout, it's hell."

Seven other residents spoke against the playground.

Speaking in favor, Mrs. Raymond Gergus said "children's voices in playgrounds are usually ones of glue."

Four others also spoke in favor.

Owner Of Bermuda Palms Demands Mistrial 20 Minutes After Start

Bermuda Palms owner Irving (Whitey) Litchfield, accused of interfering with a highway patrolman, demanded a mistrial today, just 20 minutes after the first prosecution witness began testifying.

One of Litchfield's attorneys, William O. Weissich, pounced on a statement by California Highway Patrolman Joseph Kendricks. Judge Joseph G. Wilson of Marin Municipal Court recessed the jury of eight men and four women so that attorneys could argue the mistrial motion.

Weissich and his colleague, John G. Buresh, took exception to Kendrick's reference to Litchfield's "past record."

Any such reference is prejudicial to the defendant, declared Weissich. He dashed off to the law library to haul in law books to back up his demand for a mistrial.

Deputy Dist. Atty. Charles L. Convis contends that Litchfield interfered with Officer Kendricks, who was writing out a ticket for a woman driver who had made an illegal U-turn near Bermuda Palms on Feb. 24.

The patrolman said Litchfield came out, bumped against him while he was trying to write the ticket, and kept interfering. After the third warning Kendricks said, he had to take Litchfield to jail.

At the booking desk, said Officer Kendricks, Litchfield "demanded that Sen. (John F.) McCarthy be called, that Capt. (Theodore F.) Parnow be called and that some judge be called."

Kendricks testified that Litchfield refused to show his identification, "so I said we'd have to pull out your past record . . ."

WORLD NEWS IN BRIEF

Jackie Wearing Wig? Heavens, No!

WASHINGTON (AP)—Mrs. John F. Kennedy is sporting a modified Cleopatra style hairdo, and the White House says it's no wig.

Jackie

The First Lady showed up at the Capitol Tuesday for the annual luncheon of the Senate wives' Red Cross unit. She was wearing her hair wide and bouffant at the sides, but there were no bangs. She wore a small black velvet bow in front to go with her gray and white houndstooth checked suit.

One Senate wife wondered if it might not be a wig. There also were reports when Mrs. Kennedy visited Pakistan and India that she might be taking along a wig to ease her coiffure problems.

The White House denied the presence of a wig on the trip. It denied yesterday's wig rumor, too.

South Korea Front Man Pardoned

SEOUL, South Korea (AP)—South Korean strongman Gen Chung-Hee Park today quashed a sentence of life imprisonment against the ruling military junta's former front man, Lt. Gen. Chang Do-Young.

Chang

Park dismissed charges that Chang had tried to obstruct the military coup which overthrew the parliamentary government last May 16 and then tried to take full control of the junta.

Chang, army chief of staff at the time of the coup, became premier and chairman of the junta after the coup but Park, the architect of the coup, was the real power.

A junta revolutionary court sentenced Chang to death, but an appellate court reduced the sentence to life imprisonment.

Park also dismissed the charges against four others. He said he was freeing them because of their contributions to their country as military officers.

Amy's Stahr To Head University

BLOOMINGTON, Ind. (AP)—Elvis J. Stahr Jr., educational administrator now serving as secretary of the Army, has been elected president of Indiana University, it was announced today.

He will take office July 1, succeeding Dr. Herman B. Wells, president of I. U. for 25 years.

Announcement of the selection was made by William Hickman, president of the university trustees, on the 142nd anniversary of the founding of the university.

The resignation of Stahr as secretary of the Army, effective June 30, was announced at the same time at the White House in Washington.

Measles Vaccine Told

NEW YORK (AP)—A two-year test of a type of Enders measles vaccine has proved almost 100 per cent effective, according to officials of the city's Health Research Council and the New York University Medical Center.

The one-shot test involved 4,000 infants and youngsters in the New York metropolitan area.

Dr. Saul Krugman of the NYU Medical Center said Tuesday the test indicates the live vaccine provides immunity as certain as that provided by naturally acquired measles.

The vaccine was described as a refined, weakened strain of that developed by Dr. John F. Enders of the Harvard Medical Center.

Bess Myerson Wed

NEW YORK (AP)—Television personality Bess Myerson and Arnold N. Grant, a New York lawyer, were married yesterday. Miss Myerson, 37, was Miss America of 1945. Grant, 54, is a trustee of Syracuse University. It was the second marriage for both.

X-15 Comes Down

EDWARDS AIR FORCE BASE (AP)—It's still a record for winged aircraft, but the X-15 achieved about 246,700 feet altiture in its test flight Monday, and not 255,000 feet as first reported.

The National Aeronautics and Space Administration yesterday revised downward to 46.7 miles the height reached by the rocket plane. The previous mark for the X-15 was 217,000 feet.

The 246-700-foot figure is still tentative and further study of radar data will be necessary before a final figure is released.

Rita, Gary Romance

HONG KONG (AP) — Actor Gary Merrill met actress Rita Hayworth at Hong Kong airport today with a big kiss and a hint that their globe-trotting romance was about to culminate in marriage.

Merrill said a Chinese fortune teller had predicted his third marriage would be his last.

U.S. Fair In Russia?

WASHINGTON (AP)—The United States has proposed to the Soviet Union that an American exhibition be held in Moscow and Leningrad in view of the scheduled Soviet participation in the 1964-65 New York World's Fair.

The proposal follows the recent unexpected cancellation of plans for a world's fair in Moscow in 1967 on the 50th anniversary of the Bolshevik Revolution.

'Tropic' Acquittal

SAN DIEGO (AP)—A jury yesterday acquitted Mr. and Mrs. Laurence McGilvery, bookstore operators, charged with violating the State anti-obscenity law by selling a copy of Henry Miller's "Tropic of Cancer."

Tax Exemption Plan

SACRAMENTO (AP) — San Francisco Mayor George Christopher, candidate for the Republican nomination for governor, today proposed a $2,500 tax exemption for home repairs.

"If the state allowed home owners a $2,500 tax exemption for home repairs, improvements and expansions, I believe California would experience a greater building boom than ever before," Christopher said in remarks prepared for the Sacramento Republican Women's Club.

"There are hundreds of thousands of home owners who may be held back from modernizing existing property because the cost of improvement is not tax deductible," he said.

He said the revenue loss to the state "would be more than offset by increased taxable activity in other areas.

Broad Revision Of T-H Law Asked

By NORMAN WALKER

WASHINGTON (AP)—A presidential advisory panel has recommended giving government more power to deal with national emergency labor strikes.

For one thing, the president would have the authority to halt such strikes for an 80-day cooling-off period without obtaining court injunctions. Fact-fining groups appointed by the president would be empowered to suggest settlement terms.

These were the major recommendations in a report handed President John F. Kennedy last night by his labor-management advisers. If enacted by Congress they would upset provisions of the 15-year-old Taft-Hartley law.

Kennedy, calling the findings highly meaningful and significant, congratulates the 21-man committee and promised to give the proposals serious consideration in drafting his own recommendations for Congress.

The advisory group — made up of seven representatives each from industry, labor unions and the public — called for broad revision of Taft-Hartley law procedures for handling big strikes that threaten the nation's health or safety.

Among the committee members only one industry man, automaker Henry Ford II, dissented from the proposed emergency strike changes. Ford said the present law has worked remarkably well and it would be both unjustified and unwise to give fact-finding boards power to recommend labor dispute settlement terms.

Such industry men as Chairmen **Joseph L. Block** of Inland Steel and **John M. Franklin** of U.S. Lines and Presidents **Richard S. Reynolds Jr.** of Reynolds Metals and **Thomas S. Watson** of International Business Machines Corp. went along with the plan for overhauling big strike procedures.

Secretary of Labor **Arthur J. Goldberg**, the advisory committee chairman, later took the group aboard a White House yacht, the Sequoia, for dinner. He remarked that the occasion ought to demonstrate that those having predicted an early demise of the labor-management committee were dead wrong.

Highlights of the report:

1. Emergency dispute boards named by the president not only could recommend settlement terms, they could also call for interim changes in pay and working conditions pending ultimate settlement.

2. There would be a legal obligation to follow presidential stay-at-work orders for 80-day cooling off periods—without court injunctions as now. This adopts the long-time voluntary compliance procedures contained in the separate Railway Labor Act dealing with rail and airline disputes.

3. The emergency procedures could be applied to only part of an industry, if that were practicable. In the past the law has been invoked generally over entire industries.

4. The present procedure of submitting an employer's final offer to employes for their approval would be eliminated as ineffective. Workers have never voted acceptance of such an offer. Ford agreed with this.

Booby Trap Wounds 50 At Algiers Dock

ALGIERS (AP) — A booby-trapped car exploded in front of an Algiers dockside hiring office today and unofficial reports said about 50 Moslems were wounded.

After the thunderous blast angry Moslem dock workers swarmed along the seafront.

French police and Algerian nationalist leaders rushed to the area to try to calm the furious crowd.

Shortly after the explosion, four Moslems were slain and four others were wounded by gunmen who fired on them from a car speeding through the center of Algiers.

At least one other Moslem was shot to death in another part of the city.

The booby-trapping of the car and the shootings were blamed on the Secret Army Organization. It was the second time in a week that a booby-trapped car had exploded in a Moslem crowd in Algiers.

The car exploded as crowds of ragged Moselms were pressing around the office. The injured included several women who had accompanied their men to the dock.

The dockside was littered with chunks of smouldering metal and pieces of concrete paving. Huge splotches of blood spattered the pavement.

In Oran last night secret army terrorists attacked two fortified French command posts in the heart of the city with mortars and machine guns.

French troops returned the fire from behind sandbagged gun emplacements, and after a 40-minute exchange the attackers withdrew and dispersed in the darkened city.

No casualties were reported.

Club-Swinging Police Crush Riots Against Dictatorship In Portugal

LISBON, Portugal (AP) — At least 27 persons were hospitalized last night and scores were arrested in turbulent May Day clashes between security forces and antigovernment demonstrators in Portugal's two largest cities.

Club-swinging police and troops crushed the outbursts, but scattered violence continued through the night.

Premier Antonio de Oliveira Salazar's dictatorship claimed the demonstrations—the most violent in years—were part of a Communist plan for a general uprising. The government asserted the Reds had failed to muster support except in Lisbon, the capital, and Oporto, Portugal's second city 175 miles to the northeast.

The regime had banned May Day demonstrations after the appearance of antigovernment leaflets signed "Duarte," the pseudonym of Alvaro Cunhal, general secretary of the outlawed Portuguese Communist party. Unconfirmed reports said Cunhal recently slipped back into Portugal after two years in Moscow.

In Lisbon, large numbers of security forces were waiting when the first group of workers crossed the Tagus River on ferry boats to protest Salazar's 32-year rule.

The demonstrators surged into the waterfront streets and an estimated 2,500 of them massed in Black Horse Square, the center of government ministries. Hundreds of police and troops moved in to disperse them. The fighting raged for three hours.

Troops and police fought with clubs and water hoses and some reportedly fired in the air.

At least 17 demonstrators and two police were reported hospitalized, several with gunshot wounds. Witnesses reported dozens of demonstrators were arrested.

Security forces then cleared the area of traffic and pedestrians, ordered cafes and night clubs closed early and mounted machine guns on rooftops. Despite armed patrols antigovernment elements wrecked lampposts and broke windows in Lisbon's east end late into the night.

City Finances Up

SACRAMENTO (AP) — California's 372 cities took in and spent a record billion dollars in the year ended last June 30, Controller Alan Cranston reported today.

Almost everything was up in city finances, Cranston said.

Revenues totalled $1,029,302,417, up 7 per cent.

Government costs amounted to $1,013,920,256, up 9 per cent.

Assessed valuation was $22,495,121,156, up 8 per cent.

ARK PEACE PLAN—Residents of Sausalito arks and barges appeared en masse at yesterday's meeting of the Marin County Board of Supervisors—with a plan to stave off threatened action against their dwelling places. In foreground as they await their turn to appear are (from left) Frank M. Bowen, whose home is the Lavender Dilly; Dean M. Jennings, of the Eden Roc III, and Alexis Tellis, of the City of Seattle. (Independent-Journal photo)

Supervisors Give Ark Dwellers Time For Sewage Plans

Continued from page 1

"not a matter of picking on any area, but part of a general program of abating pollution."

Building inspector Otto Meyer countered allegations that "an entire way of life is threatened" by saying that outside of the sanitation problem, minimum requirements of the housing code can be met by more than 90 per cent of the arks and barges with only minor corrections.

"The grossly substandard, which must be eliminated, are few," said he.

Alexis Tellis, chairman of the Marin Boat Dwellers Assn. and himself a boat dweller off Waldo Point, said "we don't feel we are polluting the bay" but that his group sought a practical way to improve the situation.

He estimated that 200 houseboats mean that the situation is one of possible confiscation of more than a million dollars worth of property.

Dean M. Jennings of the association then showed color slides to "create a proper image of houseboats," much more sightly than had been conveyed by an Independent-Journal editorial page cartoon which he stigmatized as "distorted."

Finally Bowen put the association's proposition.

He said discussions have already been held with the secretary, chairman and attorney of the Sausalito-Marin City district and the attorney has already drafted a change in ordinance "which would include us."

Bowen said there were three advantages in his plan: Uniformity of enforcement as between county and Sausalito city areas, special interest of people in the sanitary district, and that any regulation must be better when it involves a small unit rather than the whole of Marin County.

"Your threat is sufficient, don't lower the ax on us," Bowen pleaded.

Behr said he saw no objection to the proposal but that reasonable speed and close contact were essential.

Stafford Lake Boating Demands Told

Restrictive requirements on Stafford Lake boating, demanded by the California Public Health Department, was presented to the North Marin Water District board last night.

The newly organized Novato Sail Boat Club had asked permission for boating on the lake this summer. The board had referred the request to the state and county health departments.

Last night, district manager Jerome B. Gilbert reported these restrictions were demanded by the state agency:

(1.) No use of the lake closer than 1,500 feet from the intake tower (this would rule out about two-thirds of the lake); (2.) bottoms of all boats must be sterilized; (3.) use of chemical toilets prohibited; (4) improved access from Novato Boulevard necessary to accommodate boat trailers; (5.) standby safety equipment such as life preservers and boats in case of accidents.

The requirements were sent to the boat club.

The water board awarded a $4,992 contract to United States Steel Co. for chain link fences around the treatment plant at Stafford Lake and the water tanks on Norman Drive and Plumb Street.

'Worst Ever' Car Pileup On Skyline

PACIFICA (AP)—More than 100 cars were entangled in 53 crashes during a blinding fog on the Skyline Boulevard today at the peak hour of San Francisco-bound commuter traffic.

One car burst into flames. Many people were injured during the chain reaction piling up. At least four were hospitalized.

The main area of trouble was along a two-mile stretch of the Skyline between the Sharp Park turnoff and St. Francis Heights.

LABOR

Continued from page 1

Associated Press reported the industry bargaining groups, headed by the Associated General Contractors, were standing firm on increases totaling 30-cent-an-hour over three years. Laborers' demands would total $1.15 over the three-year period, they contended.

William H. Baldwin of Marysville, industry negotiations chairman, said construction industry wages were higher in Northern California than anywhere in the country except in New York City.

Industry spokesmen said the wage demands by the other unions run this way:

Carpenters, now paid $3.83 an hour plus 36 cents in benefits, ask 35 cents more in wages and 12½ cents more in benefits in a one-year contract.

Cement masons, now paid $3.97 an hour plus 11 cents in fringes, ask a 7 per cent wage boost and 40 cents more in fringes in a one-year contract.

Construction teamsters, now getting $3.92 an hour plus 36 cents in fringes, ask 25 cents more in wages and 15 cents more in fringes in a one-year pact.

Threat of an immediate carpenters' strike ended when Carpenters Union representatives and construction employers agreed last night to a two-week extension of their contract to permit further negotiations. Both sides reported progress in talks today.

Next meeting of the Laborers representatives of the Associated General Contractors was tentatively set for next Tuesday.

Marinites 'Adopt' Vietnamese Boy

Mr. and Mrs. William E. Davis of 26 Scenic Avenue, San Rafael, have financially "adopted" Trans Van Nhinh, a 10-year-old Vietnamese boy, through Foster Parents' Plan, Inc.

The Davises will contribute $15 a month toward the boy's support for at least one year, the plan announced in New York.

People-To-People Group Plans 2 Events In May

Two events, a lecture and a wine-tasting literary affair, will be given this month by the Sausalito People-to-People Committee, it was announced last night at the city council meeting.

The first event, according to Loren L. Jay, chairman, is a lecture May 8 at 8 p.m. at Bayside School. Manfred Max-Neef, Chilean economist and visiting professor at University of California, Berkeley, will speak on "Social and economic problems in Latin America."

The second occasion is the wine tasting on May 20 from 4 to 6 p.m. at the Sausalito Cruising Club. Jay told the council there will be five Napa Valley wines to taste but the committee was sorry it could not get any Chilean wines. "We tried but none was available." He said.

Purpose is to raise funds for the committee to operate with, Jay added. He said Chile is making a gift of 80 Chilean books to the city library as well as presenting a large detailed map to the city, proposed to be placed in the city hall.

controversial sites himself and make recommendations.

Answering other questions, Bagshaw said:

1. The commission cannot control billboards unless they depreciate property values. "You have a billboard ordinance with no relation to the police power," he said.

2. As long as an applicant has been given notice of a public meeting, commissioners can require changes in his plans or reject them if he doesn't come to the meeting.

3. Persons who lease property to provide required parking should be forced to get a deed restriction with the lease, limiting the land to parking purposes.

4. Zoning ordinances can be enforced only if there is enough interest to stop violators. If citizens brought complaints to him for every violation, Bagshaw said, he would quit.

Chairman Named For Parks Unit

Arthur D. Darrington of 69 Hickory Road, Fairfax, was named chairman of the Fairfax Parks and Recreation Commission last night.

He replaces Frank L. Lawrence, who was elected to the Fairfax City Council.

Darrington is employed by Pacific Gas and Electric Co. in San Rafael. His term on the commission will expire in April 1965.

Two new commissioners, appointed by the council, joined the commission last night: Peter Forni of Deer Park Villa was named to a term expiring April, 1966; and Thomas C. Peck of 173 Bothin Road, to a term expiring April, 1964.

Lawrence replaces Stanley Wilsey as council representative to the commission.

The commission decided, at the suggestion of Ronald C. Samet, recreation director, to continue teen-age dances at the Fairfax City Hall pavilion. Dances will be held May 18 and June 1.

Gilmartin Beats Drunk Charges

One "drunken driver" was convicted and the other freed by a hung jury in two mock trials yesterday in observance of Law Day.

A jury of high school students convicted private investigator William (Bill) Barnes, who played the role of the accused in the first trial.

In the afternoon, Independent-Journal sports editor Jim Gilmartin succeeded in convincing five of the student jurors that he was innocent, thus getting off with a hung jury. The students said they were deadlocked 7-to-5 for conviction. Last year, Gilmartin, who played the same role, was "convicted."

Marin County Bar Assn. sponsored the simulated jury trials as a highlight of Law Day before Judge N. Charles Brusatori of Marin Superior Court.

Sounding Board To Be Devoted To Politics

The radio KTIM "Marin Sounding Board" will be devoted to politics during May, moderator Kitty Oppenheimer announced today.

Tomorrow's broadcast at 9 a.m. will feature a debate between candidates for coroner—public administrator; incumbent Frank J. Keaton and aspirant Forrest N. Johnson of Terra Linda.

On May 10 four candidates for tax collector-treasurer will state their views and answer telephoned questions from the audience. The two men running for assessor will be heard on May 17.

The broadcast of May 24 will be devoted to discussion of the College of Marin's bond election.

Titov Is In D.C. For Space Meet

WASHINGTON (UPI) — Soviet Cosmonaut Gherman Titov, his flight from New York delayed by weather, arrived here today for meetings tomorrow with President John F. Kennedy and astronaut John H. Glenn, Jr.

The White House arranged the meeting between the president and Titov while the Russian spaceman was winging toward Washington from New York, where he concluded a three-day visit.

After an airport welcome, he left for lunch and a news conference at the Soviet Embassy here.

Water Service Expansion For Pt. Reyes Area Being Studied

Whether to approve a water company's expansion to serve yet-to-be-built homes in what may become Point Reyes National Seashore was taken under submission by a California Public Utilities Commission examiner late yesterday.

Inverness Water Co., which recently contracted to purchase the Limantour Mutual Water Co. on Drake's Bay, applied for a PUC certificate to furnish water for Drake's Beach Estates and Drake's Bay Pines. The former is a 1,000-acre development; the latter projects 250 homes.

Ted Chenault, vice president of Citizens Utility Co., which owns Inverness Water Co., told examiner Carol Coffey at the San Francisco hearing that his firm had paid $5,000 for the Limantour water system, which he estimated would cost $125,000 to install now, and plans to spend $162,800 on its expansion. The developers, he said, will provide $850,000 worth of pipelines.

Douglas J. Maloney assistant Marin County counsel, submitted a resolution in opposition from the Inverness Public Utilities District. It held that (1) extension may result in dissipation of water available to Inverness consumers; (2) it may bring increased rates in Inverness, and (3) no extension should be permitted now, while the bill to create Point Reyes National Seashore is before both houses of Congress.

Chenault disposed of the second objection by agreeing to keep separate books for the Drake's Beach operation so costs there would not be charged against Inverness customers.

William G. Fleckles, attorney for Inverness Water Co., said the PUC should not look beyond the present situation in ruling on the application. Point Reyes National Seashore is only a proposal, not an actuality, he emphasized.

Examiner Coffey indicated a month to six weeks would be required for PUC decision.

County Told It Can't Have A.F. Runway

The federal government yesterday grounded a high-flying dream of Hamilton Air Force Base becoming Marin's county airport.

Sens. Clair Engle (D) and Thomas H. Kuchel (R) and the Federal Aviation Agency all said it's impossible because the Air Force will not permit it.

Some time back, Fred F. Enemark of the Marin Industrial Development Foundation suggested the board apply for civilian use of a runway at Hamilton, since the Air Force plans to put the field's control tower under Federal Aviation Agency administration. The fighter plane is "phasing out" anyhow, said Enemark, so perhaps someday Marin County might get the whole field.

But Senator Engle, in a letter to the board yesterday, said the Air Force does not want to share Hamilton facilities with civilian fliers.

Senator Kuchel, in a separate letter, said "joint use appears out of the question."

And Eigle included a letter from the Federal Aviation Agency which said Marin airport needs have been recognized through inclusion in a National Airport Plan of a project for a new county airport, but Hamilton continues "a very active Air Force installation and any decision rests with the Air Force." It continued that the Air Force "could not permit that Hamilton be used by general aviation because of their critical requirements for this airport."

Supervisor William Gnoss said the turndown should not affect the county's desire to buy land adjoining Hamilton for airport use, however.

The Board Of Supervisors Also:

1. Reversed a former refusal and granted $100 from the civic center dedication fund for specific application to civic center post office dedication.
2. Appointed Patricia Sanderson senior stenographer clerk for the auditor-controller, at $366 monthly; and Regine Daygee as social worker at $420 and Virginia Riella as intermediate clerk at $320, both in the Welfare Department.
3. Appropriated $1,661 on request of County Supt. Virgil S. Hollis to replace two typewriters, an adding machine and a recorder taken in a Feb. 9 burglary of his office.
4. Approved by 4-1 vote, Supervisor William D. Fusselman dissenting, a contract to pay $6,200 to Louis Kuplan of San Francisco as senior citizens research consultant.
5. Approved an increase from $350 a month to $425 for the care of county tuberculosis patients at Ross General Hospital, to be effective July 1.
6. Continued until May 15 study of amendments to the salary ordinance which would allow the board to adjust salaries by simple resolution.
7. Approved a schedule of departmental budget hearings from June 13 through June 22. Salary recommendations will be considered June 11.
8. Decided to hold their first June session on a Thursday, June 7, rather than the usual Tuesday which will be election day.
9. Authorized preparation of a letter supporting the project of a "harbor of refuge" at Bolinas.

Doctors, Lawyers Golf And Dinner Slated Tomorrow

The biennial golf and dinner of Marin doctors and lawyers will be held tomorrow at the Meadow Club in Fairfax, J. R. MacMahon, chairman of the Marin County Bar Assn. entertainment committee, announced today.

After an afternoon of golf, members of the bar association and Marin Medical Society will gather for cocktails at 6 p.m. and dinner at 7 p.m.

Guest speaker after the dinner will be Circuit Judge James R. Browning of the U. S. Court of Appeals. Judge Browning was appointed by President John F. Kennedy last Oct. 23.

Judge Browning was editor of the Law Review at Montana State Law School, where he was graduated, and has held a number of government positions. He was clerk of the U. S. Supreme Court from 1958 to 1961.

Nixon's Marin Aides Announced

Herbert Walton of San Rafael has been named finance chairman of the Marin Nixon for Governor campaign, it was announced by co-chairman Ed Grundstrom and William T. Bagley.

Henry B. Grandin of Ross is the campaign's publicity chairman; William D. Keeler of Mill Valley, special events chairman; Charles I. Daniels of Kentfield, contact chairman, and Mrs. John Wollak of San Anselmo, headquarters chairman.

Nixon headquarters have been opened in Mill Valley and Terra Linda, with others due shortly in Sausalito, San Rafael and Novato.

LAST CONCERT FOR SYMPHONY IS SET FRIDAY

Marin Symphony Orchestra, sponsored by Symphony Guild of Marin, will present the third and final concert of its current season Friday at 8:30 p.m. at Marin Catholic High School auditorium in Greenbrae.

The program will include "Adagio for Strings," Samuel Barber; "Appalachian Spring," Aaron Copland; "Daphnis et Chloe" ballet, Maurice Ravel; and "Haffner" Symphony No. 35, Mozart.

Larkspur Youth, 15, Booked As Runaway

A 15-year-old Larkspur boy was booked at Juvenile Hall as a runaway after he was found by police hiding in the bushes at Professional Center Parkway near Terra Linda at 2:35 a.m. today.

The youth would give no reason for being out at such an hour nor would he give his name, San Rafael police said. He was identified through an all-points missing person bulletin which Larkspur police had issued yesterday morning.

Taxpayers Suit Against Novato Schools Fizzles

Threatened action to block hiring a new superintendent for Novato Unified School District failed to materialize at last night's board meeting.

Members of the Clear Thinking Committee, which has backed Supt. William J. J. Smith in his suit to keep his job, had threatened a taxpayer's suit. The threat was made last Saturday when the board signed a four-year contract with James G. Bunker of Coalinga as superintendent at $18,000 per year.

Samuel A. Hagler Jr., member of the committee, said the committee would wait until Smith's suit is settled.

"When the district has two superintendents, then we'll then we'll start a taxpayer's suit against the board to recover the $72,000 paid the man they hired Saturday," he said.

Eugene de Brecht, assistant superintendent in charge of business, presented a revised budget to the board. By cuting miscellaneous requests of $131,551 in half to $65,776 and adding salary increases, the budget would be $21,509 out of balance, he said.

On the basis of these figures, the board voted unanimously to grant the 1961-62 teacher salary goal schedule for the coming school year.

Allan Roberts, Hill Intermediate School teacher, asked the board for a 10-month work clause in contracts. This would free the teachers to take other employment during two summer months. The board approved unanimously.

A special meeting for studying the proposed special tax election was set for 8 p.m. next Tuesday.

The Novato School Board Also:

1. Approved application to the state for three portable classrooms.
2. Refused permission for Hill School to hold a music picnic in Sonoma County.
3. Agreed to continue last year's policy on interdistrict agreements. This involves no tuition payment for students going to and from districts within Marin County but a payment of tuition on students exchanged with Sonoma County.
4. Hired seven new teachers: Mrs. Judith B. Lorens, English, at the high school; Harry James Moore, business education and physical education at the high school; Mrs. Peggie Romback, girls physical education at Hill; Mrs. Joanne Blaney, fourth grade at Lu Sutton; Mrs. Linda J. Snider, third grade at Olive; Mrs. Virginia Spencer, kindergarten or second grade at Marion, and Mrs. Sharon White, fourth grade at Marion.

Police Chief Lashes Pay In Marin

Corte Madera Police Chief Frank L. Nelson lashed out at wages paid peace officers in Marin County last night in requesting better pay for his department.

Nelson, during town council discussion of salaries, said the cost of living is higher in Marin than any other Bay Area communities.

The police salary increases recommended by Town Manager Arthur H. Brandow were: Chief Nelson from $617 to $648, Sgt. David D. McIntosh and Inspector Harold N. Hockett from $534 to $560, Patrolman Charles E. Rester and Charles E. Newman from $509 to $534, and Patrolman Howard Bailey from $460 to $484.

Councilmen agreed to accept Brandow's recommendation, but told Nelson he could take up the salary increases later with the police and fire committee of the council.

Sausalito Police Probe Possible Dog Poisoning

Sausalito police were investigating a possible case of dog poisoning today.

William D. King of 512 Turney Street reported to officers he returned home at 1:30 a.m. yesterday to find his 4-year-old Dachshund, Hans, "very sick." He took his dog to the Tamalpais Pet Hospital in Mill Valley, where it died. An autopsy disclosed strichnine poisoning.

Mill Valley Signups For Kindergarten Set

Registration of children who will enter kindergarten in the Mill Valley school district next September will be held at Park School auditorium next Tuesday and Wednesday, between 9 a.m. and 3 p.m.

Proof of age must be furnished, according to Supt. G. Robert McConnell. Further information may be obtained from the district office, 26 Miller Avenue.

BARBARA BRUFF
Cal scholar

Novato Girl Makes Phi Beta Kappa At U.C.

Barbara Bruff, 21, of Novato, who entered University of California on a San Rafael Kiwanis scholarship in 1958, has been elected to Phi Beta Kappa.

Miss Bruff, daughter of Mr. and Mrs. Stephen C. Bruff of 2144 Center Road, is a senior at UC, majoring in bacteriology. A graduate of San Rafael High School, she went to Europe under the Experiment in International Living program before entering UC.

After graduation from the university this year, Miss Bruff may continue her studies for a master's degree.

She has a sister, Dana, who is a freshman at College of Marin, and a brother, Stephen, senior at Novato High School.

Tattered Trousers Ruled No Business Of County

The tattered trousers of a sanitarian are no concern of the county's.

So said the Marin County Board of Supervisors yesterday, by 4-to-1 vote.

Dr. Carolyn B. Albrecht, county health officer, appeared in behalf of a county sanitarian who ripped his britches crossing a barbed wire fence in line of duty. The tailor's bill was $15, she reported.

The good doctor suggested the county might adopt a policy of compensating non-uniformed employees for damage to clothes while on the job.

Supervisor Peter Behr moved that the county establish just the opposite policy. He said cost of investigating each such claim would be excessive. Snags, suggested Behr, are "a common hazard."

The other supervisors agreed, except William D. Fusselman, who said there had been instances of the county paying similar bills.

Mill Valley Burglary

Keith L. Jandrall reported to Mill Valley police yesterday that someone entered his home at 30 Rose Avenue between 9 a.m. and 6 p.m. Monday and took a typewriter, portable clock, portable radio, small traveling case, two pair of cuff links and a camera.

Mrs. Burton Says Liz Is No Problem

ROME (UPI) — Actor Richard Burton escorted his wife to the airport here today and kissed her goodbye after she told newsmen she has "no problems" with her husband, who has been actress Elizabeth Taylor's frequent escort.

She was flying home to London to put their 4-year-old daughter, Kata, in school, she said, but she promised to return here "around the middle of next week."

Once back in Rome she plans to stay until the film "Cleopatra," co-starring Burton and Miss Taylor, is completed.

Asked by an Italian reporter how she felt about newspaper reports linking her husband romantically with Miss Taylor, Mrs. Burton said:

"I don't read newspapers, nor does my husband. I am happy and so there are no problems."

Bids Called For Work On Highway

Bids for landscaping of 1.7 miles along Highway 101 in the vicinity of Miller Creek Road, Marinwood, were called for today by the State Division of Highways.

The bids will be opened June 6 in Sacramento.

The division has $80,000 available for the project. The work will involve the planting of 576 trees, mostly eucalptus, redwood, elm, pine and sweetgum; 2,714 shrubs, mostly acacia, pyracantha, toyon and melaleuca; and 157,000 ground cover plants, mostly Algerian ivy and ice plant.

Faubus Changes His Mind— Running Again For Governor

LITTLE ROCK, Ark. (UPI) — Arkansas Gov. Orval Faubus, who said earlier this year he was retiring, announced today he has changed his mind and will run for a fifth term.

Faubus was the sixth candidate to get into the field. His opponents include former Gov. Sid McMath, who gave him his first state political job, and four other men. There may be more.

When Faubus announced his retirement from politics March 31 he said he was worried about his health. He went to the Ochsner Clinic in New Orleans for an examination. Doctors there evidently assured him his health was up to another political campaign.

Faubus' name almost became a synonym for segregation worldwide during attempts to integrate Little Rock high schools in 1957, 1958 and 1959.

Faubus insisted that he was not against integration per se. He contended that he was against the federal government forcing a state to do something against its will and he opposed integration to that end.

San Rafael Quizzed On Police Job

By CARLETON WILLIAMS

Do you feel a police chief should be elected or appointed—and, whether elected or appointed, should there be minimum qualifications for the post?

This is one of four questions being asked today of San Rafael citizens by Monterey Police Chief Charles Simpson as the final phase of a four-week, on-the-spot investigation of the San Rafael Police Department.

Simpson was hired in March by the city council to survey the department after four officers resigned from the force within a two-week period.

During his intensive investigation, Simpson has covered every phase of department operation, including riding on patrol with officers on each shift. The public opinion survey of about 25 "representative citizens" will be followed by calls on five cities with growth patterns and makeup similar to San Rafael.

A written report of his findings—with recommendations—will be handed the city council in about two weeks, Simpson said.

The three other questions being asked of citizens are:

(1) In case of emergency, how soon do you want a policeman on your doorstep?

(2) If I tell you there were 880 accidents last year, 62 of which involved personal injury—and this represents an increase of 100 accidents over the preceding year—what do you feel the community would want to do about it? Would they want to take steps to reverse the trend, or would they be indifferent?

(3) Are you satisfied with the service now being given by the department?

Simpson has repeatedly said the citizens of the city must decide such questions before any steps toward change can be taken. "A community can have the type of department it wants to have," he said at the beginning of his investigation.

The cities he will visit before writing his report are Eureka, Santa Maria, San Luis Obispo, Modesto and his home city, Monterey. These residential cities, Simpson said, have experienced the same rapid growth as San Rafael. "A look at these cities will act as a control on my own thinking," the veteran lawman said.

Although Simpson would not divulge the results of his report, he emphasized he had found "no malfeasance or evidence of dishonest conduct."

"I have found a wonderful enthusiasm on the part of the officers in the department," he said. "But it would not be ethical for me to give my report to the public before I give it o the people who hired me."

Simpson, who would easily pass for a college professor, heads a department of 51, all of whom are high school graduates. About one-third of his force has attended college, 10 members have teaching credentials and three teach classes at Monterey Peninsula College in their spare time.

"I literally charted, hour by hour, the operation of the department and growth of the city," he said today. Diagramming a facsimile of his chart, he explained:

"Population expansions follow the logarithmic curve of growth—the same curve that describes the rate of growth of cells and other natural phenomena.

"Barring catastrophe, when the curve reaches the 40 per cent point, it suddenly increases at a steeper rate. By examining this curve, oddly enough, one can just about count the number of cars on the city's streets at a given time."

San Rafael, he said, is high on the curve, but he would not pinpoint the city's percentage mark.

He has emphasized he did not enter the investigation as a "hatchet man to separate the good guys from the bad guys.

"This survey is only one of several the city has conducted," he said, noting investigations have been made of the fire department, street and land uses, city services and other areas of city operation.

Dice Game Nets 10 Days In Jail

Johnnie Clyde Gray, 35, Marin City construction laborer, must spend 10 days in county jail for conducting a dice game at his apartment last Jan. 10.

Judge Joseph G. Wilson of Marin Municipal Court found Gray guilty after a court trial. Gray had previous conviction for gambling last September.

Sgt. Guy V. Gibbs of the sheriff's office said he raided Apartment B2-556 in Marin City on Jan. 10 and found a group of men around a table. He said Gray had a cup of some dice in his hands.

Marinite Is Getting Contractors License

SACRAMENTO (CNS)—The contractors state license board will issue a general contractor's license May 16 to Ray W. Foreaker Jr., 42 Edward Avenue, San Rafael, unless written protest is received.

A plumbing license will be granted to Charles D. Kyne, 74 Gregory Drive, Fairfax.

'Civic Center Drive' Official

Main drive in Marin County's new civic center was officially named "Civic Center Drive" by the county supervisors yesterday.

County Administrator Alan Bruce reported the civic center committee had unanimously reiterated a previous recommendation that the words "civic center" be coupled with either "drive" or "boluevard."

Supervisor Peter Behr's suggestion that the late architect Frank Lloyd Wright be honored by the road name was dismissed on the ground that Wright is "signified and honored by the building itself."

Sanitary Contract

A tentative agreement was reached Monday night whereby the Albert-Lovett Corp. is to pay $8,500 to the Sausalito-Marin City Sanitary District for the corporation's encroachment over the district's easement. The contract is to be redrafted for final consideration May 28, according to chairman Loren L. Jay.

LIBRARY DEDICATION

Former Ike Cabinet Aides Recall His Wit, Decisiveness

By DAYTON BLAIR

ABILENE, Kan. (AP) — Early efforts to get Dwight D. Eisenhower to run for president. His quick wit. His forthrightness. Statehood for Hawaii and Alaska.

Four members of President Eisenhower's Cabinet pick those incidents as highlights of their years in Washington.

The four—**Fred A. Seaton**, former secretary of the interior; **William P. Rogers**, attorney general; **Herbert Brownell Jr.**, attorney general, and **Neil H. McElroy**, defense, reminisced yesterday after dedication of the Eisenhower presidential library.

Former secretary of the treasury Robert P. Anderson also attended the dedication but left immediately.

Brownell said his trip to Paris early in 1952 to try and convince Eisenhower to accept the Republican nomination was his outstanding memory of the Eisenhower years.

Brownell recalled he was sent by **Gen. Lucius D. Clay, Henry Cabot Lodge, Sen. Frank Carlson** of Kansas and **Harry Darby**, a former Kansas senator.

"They felt Ike was on the verge of agreeing to do this," Brownell said. "Ike said he hadn't made up his mind."

Brownell said Eisenhower told him some Democrats had sought him for their party's nomination but that if he ran it would be as a Republican.

Brownell was also on the receiving end of barbed presidential wit.

On one occasion, Brownell said, he was explaining a legal brief to Eisenhower, who had asked that it be kept short. After he had talked a while, Eisenhower interrupted with a story in which a man told a neighbor he had half a dozen reasons for not attending church.

"The first was I was excommunicated and somehow the other five don't make much difference," the story went.

Brownell took the hint and cut the explanation short.

Use of federal troops during the Little Rock school integration crisis was recalled by Rogers as a major incident in his career. When he outlined plans for removing the troops by the end of the year, Eisenhower quickly ordered, "Go ahead," Rogers said.

"The president gave Cabinet officers complete security and confidence," he said.

To Seaton, a Nebraska publisher and now a Republican candidate for governor, the most important event was statehood for Hawaii and Alaska.

As secretary of the interior, Seaton had been governing official for the two territories.

McElroy remembered launching of the first Soviet satellite.

"The whole world was concerned because the Russians had made this tremendous jump," McElroy said. "About four months later we finally had a successful satellite."

Admiration of the Cabinet members for Eisenhower was repaid by the former president in an off-the-cuff speech.

"There has not been a Cabinet brought together since that compares in the abilities and wisdom of that group," he said.

Eisenhower Finds Modern Trends In Art, Entertainment Disdainful

ABILENE, Kan. (AP)—Dwight D. Eisenhower compared American scientific and material gains in this century with "the vulgarity, the sensuality, indeed the downright filth," and said, "I wonder if we have advanced."

Speaking yesterday at the dedication of the three million-dollar Eisenhower Library here, the former president asked, "What has happened to our concepts of beauty, decency and morality?"

Eisenhower was disdainful of some trends in modern art and entertainment. He referred to the new dance craze, the twist, saying he did not personally dislike it but "it does represent some change in our standards."

The former president called for a return to the standards and values of pioneer America.

He said the only danger to the United States "is in forgetting our glory, our traditions, our history, our ideals and aspirations so that we allow our fiber to weaken."

A crowd of several thousand persons stood in a hot sun to hear Eisenhower speak. Earlier about 25,000 lined the streets of Abilene's business district to greet him.

The library, built with private funds, will house Eisenhower's presidential papers. It is across the street from the house whert the former president spent his boyhood.

Dignitaries attending the dedication included Vice President Lyndon B. Johnson, Eisenhower's three brothers, and five former members of his Cabinet.

President John F. Kennedy sent a statement praising the library as a cultural asset.

Eisenhower and his wife left Abilene aboard a special railroad car for their home in Gettysburg, Pa.

Assault Charge Trial Set June 12

A four-day second trial for Lemone Brown, 34, of Richmond, on a charge of raping and robbing a 32-year-old Mill Valley school teacher was set Monday for June 12, 13, 14 and 15.

Through Public Defender Peter Allen Smith, Brown requested a jury. He was convicted Feb 22, 1961. The conviction was reversed last Dec. 20 by the State District Court of Appeal. It rejected a confession given to a sheriff's deputy after Brown had taken a polygraph test.

New trial date was set by **Judge Thomas F. Keating.**

Ferry Steering Wheel Is Stolen

An old ferryboat steering wheel, anchored to the outside wall of Sausalito Boat and Tackle Shop at Waldo Point, disappeared over the weekend.

Proprietor Richard A. Urbais told Sheriff's Deputy Dennis Shine that the steering wheel was six feet in diameter and weighed about 150 pounds. It was worth $350.

The officer said bolt cutters had been used to snip three-eighth inch bolts, which anchored the wheel to the wall.

Mexico City College Talk Slated Friday

Mrs. Mary D. Parsons, representative of Mexico City College, will speak at College of Marin at 11 a.m. Friday in the art lecture room, on college students in Mexico.

The talk, open to the public, will be accompanied by color slides and an exhibit of Mexican treasures. Mexico City College is the only American-style liberal arts college in Mexico.

Meadowsweet Egg Nestles

Having put all their Meadowsweet rezoning eggs into one nest, Marin County supervisors tried hard for a hatch yesterday but couldn't make it.

Final action on a problem more than three years old was promised for next Tuesday, following a Monday field trip to look over the 90 areas affected, west of Highway 101 by Corte Madera.

At stake is residents' desire for single-family zoning rather than apartments desired by several developers.

Through arrangements with the county planning commission, the supervisors had been holding up Meadowsweet zoning applications until they had accumulated a list of six.

John Billings of 1015 Meadowsweet Drive, president of the Meadowsweet Improvement Assn., led a drive for uniform zoning for single-family residences on half-acre lots, "in accordance with the established pattern of development of this area and to up-grade it."

Among those contesting the association effort was Frank S. Sutherland, who declared that if such a sweeping course were followed "I will be distinguished as the only owner of any land in the county on a frontage road, zoned for one-family."

Supervisor William D. Fusselman, in whose district the 63 affected parcels are located, pleaded lack of specific up-to-date information and urged delay, although Supervisor Peter Behr declared himself fully informed and with his mind made up for a vote.

"These people have waited long enough," declared Behr while other supervisors fidgeted uneasily and Supervisor William Gnoss finally blurted that "as a courtesy to the supervisor of the district" the vote should be deferred.

A plea for county collaboration with the Corte Madera Plan was made by Mrs. Marie Nichols of the improvement group.

"It is proven and valid for our community, and in effect 20 years," said Mrs. Nichols. "If we want to up-grade you should be proud to go along with us."

A mimeographed six-page chronological list of planning commission hearings of Meadowsweet rezoning cases was circulated by the association. It said all this was "a direct result of the burden of multiple housing which was imposed on the people of Meadowsweet area in 1958 by rezoning of the Balzarini-Moats parcels from single residential to multiple housing.

"If this decision had not been made over the protests of the majority of the residents of this area," said the statement, "the numerous hearings which began on Dec. 18, 1961, would in all probability not have occurred."

Pay Hikes Approved In Corte Madera

The Corte Madera Town Council last night approved salary increases for most town employees and decided to change some of the job titles to suit the positions.

Among the raises tentatively approved by the council was a jump from $417 per month to $484 for Town Clerk Naydeen Penny.

Actually, Mrs. Penny receives only $2 per year for her job as town clerk. Her salary is for being a senior clerk typist in charge of the clerical staff for the town.

In approving the salary hike, the council changed the position to senior clerk. Town Manager Arthur H. Brandow had recommended the salary be pushed to $509 per month but councilmen felt that was too high.

Account clerk Bertha Hall received an increase from $398 to $417, recommended by Brandow.

The council, on recommendation of Councilman Charles F. Pendleton, raised the salary of Building Inspector William G. McBride from $648 to $681.

Brandow had recommended the council drop McBride's salary from $648 to $617 for building inspector and add $64 per month for his duties as zoning administrator. McBride objected to the downgrading of the building inspector salary, as did Councilman Edward W. Colthurst.

Said Colthurst: "We should keep the position of building inspector and zoning administrator lumped together."

The councilmen backed Pendleton's salary increase suggestion and changed McBride's title to chief building inspector and zoning administrator.

The council, after agreeing that the salary for starting maintenance men in the public works department was too low, raised it from $378 to $417 per month.

Salary for maintenance man Daniel Allen, required to do more duties, was raised from $439 to $460. Groundskeeper George Paraspolo will receive a raise from $460 to $484.

Public Works Supt. Walter Nagel, hired March 14, will not be eligible for a raise until after a six-month probation period. The council agreed to consider a raise from his current $648 per month to $681 when the six-month period is completed.

Asst. Public Works Supt. Frank Halbe will receive a raise from $439 to $484.

The councilmen, on recommendation of Colthurst, decided to await discussion of a salary hike for Town Manager Brandow, who now receives $911 per month.

Dead County Coupons Due Cremation

Cremation has been included among activities of the county auditor-controller.

Only dead and gone coupons will be included.

A letter from Asst. Auditor Michael Mitchell yesterday advised county supervisors that a recent legislative change allows burning of bond and interest coupons after they've been paid or canceled, and are of no more use. He said this would free a great deal of badly needed filing space.

"Will the ashes be spread over our hillsides or perhaps flung from the Golden Gate Bridge?" quipped Supervisor Peter Behr.

Fairfax Schools

The regular meeting of the Fairfax School District board will be held Monday at 8 p.m. in the Central School. The meeting, scheduled for last night, was postponed because of Public School Week activities.

Marshal J To Speak To Horsemen's Assn.

Marshal J. (Jay Alexander of Novato) will speak on his experiences as a rodeo performer at a membership meeting of the Southern Marin Horsemen's Assn., at 8 p.m. Friday at Old Mill School in Mill Valley.

The television personality will also give tips to young riding enthusiasts and present awards to winners of the Mount Tamalpais trail contest held April 15. Newcomers and guests will be especially welcome at the meeting, according to Henry Soderlind of Larkspur, club member. Refreshments will be served.

Sonata Recital At Dominican Top Drawer

By MAYBELLE SPECKMANN

Frances and Lev Shorrs' violin and piano sonata recital last night in Angelico Hall continued the consistently high level of music provided by Dominican College in its concert series.

A good sized audience—composed predominantly of the young women students — gave the artists a thoroughly deserved enthusiastic reception.

ASTONISHING!

Their performance — with Frances playing the violin and Lev at the piano — would have rated high praise under normal circumstances. But it was astonishing when it became clear that Lev, if not entirely blind, is very nearly so and played the entire recital from memory.

So great was the musical rapport between the husband and wife duo that the handicap was not discernible in the music, becoming evident only as they walked on and off stage.

Frances' playing was notable for purity and clarity of tone, facile technique and expressive power and that of her husband was characterized by fluid grace, particularly in the Beethoven Sonata in A major, and dynamic strength in the contemporary numbers.

MODERN IDIOM

The Shorrs seemed to favor the modern idiom, for two of their four sonatas were by contemporary composers. These were the Russian Nikolae Lopatnikoff and the American Wallingford Riegger.

The Lopatnikoff Sonata No. 2, Opus 32, with its incisive rhythms and acrid harmonies was a good eye opener to start the program, and Riegger's Sonatina Opus 39 was brief, but for most audiences two out of four selections in dissonance are a little too much.

This could be assumed for last night's audience from the much greater acclaim accorded the other two admirably executed sonatas—J. S. Bach's E Major and Beethoven's in A Major, Opus 12, No. 2.

The Beethoven work was a good closing number to follow the others. It represented the master in a light, graceful and lyrical mood rather than his more typical one of epic grandeur.

GOP Campaign Aide Hurt In Car Mishap

A newly employed campaign assistant for the Republican Congressional Committee was hurt yesterday when a wheel came off his car on the Waldo Grade and the vehicle flipped over.

David Ross Scott, 27, of San Francisco was driving north at 7:35 a.m. and had just topped the grade at Spencer Avenue on Highway 101 when the wheel flew off. He was treated at Marin General Hospital for multiple bruises, strained back and a sprained right knee.

Public School Week Tonight Numbers 22 Open Houses

Public Schools Week will continue tonight as two high schools and 20 elementary schools open their doors to show students sewing spring frocks, potting and rehearsing a musical.

Sir Francis Drake High School will demonstrate photography, physics and use of new language laboratories — besides running a group of its students through physical fitness exercises and putting on a rehearsal of "Our Hearts Were Young and Gay," its spring musical production.

At Novato High School students will model gowns they made during the semester and demonstrate painting and pottery. The band and chorus will put on a musical program.

Schedule for open houses, which continue through Friday, is:

Harris Suggests Night Lighting For Sausalito's Vacant 'Gazebo'

Night lighting was suggested last night by Sausalito City Councilman Michael Harris for the still-vacant "gazebo" bus depot at Bridgeway and Bay Street.

Harris told council members he would like it lighted "so it will be of greater use to people and provide a safe stepping-off place." City Manager Charles A. Brown agreed to explore the matter.

Brown reported the concession to sell bus tickets as well as magazines and newspapers has not yet been let out nor could he give a definite idea as to when a concessionaire would be found.

He said the State Department of Employment and vocational rehabilitation is interested in having a handicapped person employed at the depot.

Brown reported that Pool Construction Co. of San Francisco denies any rumor of bankruptcy as was suggested by Mrs. Marsha Owen (Sally Stanford) at the April 24 council meeting.

"They intend to take care of all outstanding bills during this week and a bond will be forthcoming," Brown said. He added that the firm is branching out into Marin County.

The council announced it will hold a study session at 7:30 p.m. Tuesday to take up Rodeo Avenue access, Ardilla Land Co. appeal from planning commission denial of a use permit to build a 422-unit apartment house on Rodeo Hill, and proposed development by Sausalito Properties Inc.

The council also:

1. Accepted a low bid of $2,579 from Lee-Mac Paving Co. of Corte Madera for work on Marion Avenue storm drainage project, the cost not including curbs and gutters.

2. Adopted a resolution accepting the deed and execution of a lease to Sausalito foundation on Shelter Cove lots.

3. Heard a request from Harris that Brown look into advisability and probable cost of filling "the hole" on the sandspit.

4. Authorized City Engineer John L. Hunter to call for bids on fire traffic signals for Bridgeway.

5. Appointed Councilman Howard Sievers, chairman, and Harris, member, to serve on the finance committee.

6. Adopted a resolution approving Hunter's survey of Humboldt Avenue.

7. Said it favors that Dr. Charles W. Aby, vice mayor of San Rafael, be reappointed to the board of the Bay Area Air Pollution Control District.

Drake High Magazine Goes On Sale

Volume 4 of Insight, Sir Francis Drake High School's magazine of arts and letters, was put on sale today.

Edited by junior Peter Carlson, this Insight is the longest yet published, at 80 pages. It combines short stories, critical and creative essays, poetry, and book reviews.

Other memebrs of the staff include poetry editor Sylvis Shapiro, art editor Judy Philo, and associate editors Peter Black, Vicki Brown, Leslie Gould, and Larry Marshik.

Contributors include Doris Foote, Himoti Kawai, Georgia Scholene, Michael Ungersma, Peter Black, Michael Gregory, Mary Hughes, Leslie Gould, Barbara Levy, Donna Dean, Richard Nilsen, Pam Stout, Tim Murphy, Vicki Brown, Todd Moorhead, and Thomas Farber.

Councilmen Want To Talk Over Requested Wage Cut

Corte Madera town councilmen want to talk with Larry V. Yoell before they cut his pay.

Yoell, 63, a crossing guard at the Redwood-Corte Madera avenues intersection, asked that he be paid $100 per month instead of $2.25 per hour. He could then draw social security of $128 per month for a total of $228, which would be more than he now makes, he explained. (The Independent-Journal yesterday reported in error that Yoell would draw $228 in social security.)

Town Manager Arthur H. Brandow proposed last night that crossing guard pay be raised from $2.25 to $2.35 per hour, instead of cut.

The councilmen decided to talk the whole thing over with Yoell before taking action.

Purse Lost In Novato Is Quickly Returned

Mrs. Robert L. Francis of 787 St. Francis Drive, Novato, lost her purse yesterday afternoon when she stopped to pick up two school children on Center Road.

Melanie L. Ralston, 18, of 1843 Fifth Avenue, San Rafael, saw the purse lying in the road. She gave it to Novato Police Chief Roy McLaren who returned it to its rightful owner with all the contents intact.

Larkspur Hearing Set Tonight On Work Bids

The Larkspur City Council will hold a public hearing and call for bids for street, water and sewer improvements in the Larkspur Plaza at its meeting today at 8 p.m. in the city hall.

RECIPE of the Week

By Mary Lee Taylor

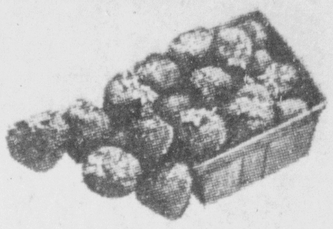

Hamburger Upside-Down Pie

1 lb. ground lean beef
2 Tablesp. cut-up onion
2 Tablesp. cut-up green pepper
2 Tablesp. hot shortening
8-oz. can tomato sauce
1 teasp. chili powder
½ teasp. salt
¼ teasp. pepper
2 cups biscuit mix
¼ cup PET *Instant* (in dry form)
⅔ cup water
1 cup grated, process American cheese

In 10-in. skillet cook beef, onion and green pepper in hot shortening over medium heat until meat is brown, stirring now and then. Spoon off drippings. Stir in tomato sauce, chili powder, salt and pepper. Cook over low heat 5 min., until very thick. Pour into 8-in. round baking pan. While mixture cooks, mix in 1½-qt. bowl the biscuit mix and PET *Instant*. Stir in water with fork until mixture forms ball. With floured hands, pat dough on lightly floured board until ½ in. thick. Fold in half. Pat into 8-in. round. Put on top of hot mixture in baking pan. Bake in 425 oven (very hot) 20 min., until top is golden brown. For glass pan, use 400 (hot). Cool 5 min. Loosen edges with sharp knife. Turn upside down on warm plate. Sprinkle cheese over meat. Cut into 6 wedges and serve hot.

DOUBLE VALUE DAYS at BON AIR SUPER

It's always a real savings event at Bon Air when we feature Del Monte products. It's a double savings because we don't just stop in the canned goods department. We go through the entire store to give you a week-end of easy budget buying. I guess you might say that this time it's triple value days because we'll give you those mighty fine "Blue Chip" stamps that are so valuable in so many ways. Yes... without reservation we'd say it's a good week to stock up with savings from Bon Air.

HEADLINERS IN 'CAPERS '62' . . . The Mystics dance band from Sir Francis Drake High School will be among entertainers featured on "Capers '62" in San Rafael High School auditorium Friday night. Emmy Nominees Named

HOLLYWOOD (AP) — It's Queen Victoria against Judy Garland and Dr. Ben Casey shouldering his way through the crowded competition close behind them — as Emmy time comes again to television.

The nominations are in, and secret ballots to be cast by 6,000 members of the National Academy of Television Arts and Sciences will decide who will win the coveted awards at a May 22 telecast.

The 137 nominations—for 26 categories — were announced yesterday.

Leading contenders for the 1961-62 Program of the Year honorsare **Judy Garland** and the "Victoria Regina" biography of Queen Victoria, which starred **Julie Harris.** Miss Garland won a bid for her Feb. 25 special.

Ben Casey, ABC's young surgeon, won eight nominations, including a nod for the young star, **Vincent Edwards.**

Many of the famous old names of television—**Jack Benny, Robert Young, Bob Hope** and **Dinah Shore**—didn't get a tumble. A lot of eager youngsters skyrocketed into the top competition.

There was an emphasis on the documentary, news and public affairs program. Of the five Program of the Year nominees, three were in this area: "Biography of a Bookie Joint," "Vincent Van Gogh," and "Walk in My Shoes," a study of racial integration.

The ABC-TV network emerged as a top contender. Last year the network gathered in four nominations. This year it won 35. NBC-TV got 54 and CBS-TV 45.

In the dramatic field, "Victoria Regina" promised to make a sweep similar to that of last season's "Macbeth." The Harris vehicle scored in seven categories.

In addition to the program honor, Miss Garland also was in the running for the best musical performance—along with **Perry Como, Yves Montand, Carol Burnett** and **Edie Adams.** The Garland show was also up for best variety program, with the shows of **Perry Como, Walt Disney, Edie Adams** and **Garry Moore.**

Miss Harris is up for best single performance against **Geraldine Brooks** for "Call Back Yesterday." ("Bus Stop"); **Susan Pleshette** for "Shining Image" ("Dr. Kildare"); **Inger Stevens,** "The Price of Tomatoes" (Dick Powell Show); **Ethel Waters,** "Goodnight, Sweet Blues" ("Route 66").

James Donald as Victoria's consort is in the race for best single performance against **Milton Berle** "Doyle Against the House" (Dick Powell Show); **Peter Falk,** "The Price of Tomatoes" (Dick Powell Show); **Lee Marvin,** "People Need People" (Alcoa Premiere); **Mickey Rooney,** "Somebody's Waiting" (Dick Powell Show).

"Victoria Regina" also was nominated for best dramatic program along with "People Need People" and the series "Ben Casey," "The Defenders," the Dick Powell Show and "Naked City."

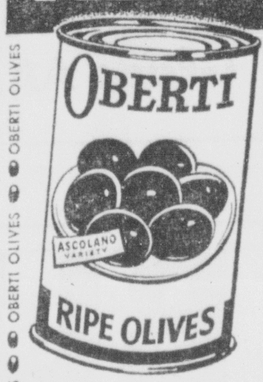

Bishop To Visit For Confirmation

Most Rev. Merlin Guilfoyle, auxiliary bishop of the San Francisco Catholic Archdiocese, will visit four Catholic churches in Marin this weekend to confirm more than 300 children and adults.

Bishop Guilfoyle will visit Tomales Church of the Assumption at 1:30 p.m. Saturday, then drive to Hamilton Air Force Base where at 4:30 p.m. he will confirm approximately 50 persons. He will dine in the officers' club there with nine other visiting clergy.

Sunday the bishop will be at Sausalito Star of the Sea Church at 2 p.m. He will confirm about 155 children and adults in St. Raphael's Church in San Rafael at 4:30 p.m.

State Is No Ghost Town, Says Brown

By ASSOCIATED PRESS

"He talks about the most prosperous state of the union," said Gov. Edmund G. Brown of Richard M. Nixon, "as though it were a ghost town."

The governor's comments were in a speech prepared for a campaign breakfast today in Van Nuys. The governor invaded what some consider Nixon territory—the former vice President lives in Los Angeles County — as Nixon was shifting from an attack on Brown to a review of political theory.

NIXON PLANS

Nixon will head north tomorrow for a cruise into the governor's backyard. Monday he criticized the Brown Administration for its handling of the Squaw Valley Park contracts —which brought rebuttal yesterday from Brown in Sacramento.

But last night Nixon shifted to another field as he praised a private philanthropic organization and said its activities were "another answer to federal encroachment." He spoke to the Guardians of the Jewish Home for the Aged, declaring that work of such groups helps block off "the opening wedge for government invasion of the field of welfare."

VIGOROUS DENIAL

Brown's comments at the Van Nuys appearance were a vigorous denial of Nixon's charge that the Democratic administration is hurting California's business climate.

Said Brown:

"If he would stop talking for a moment and listen, he would hear the sound of pile drivers, of cement mixers; of time clocks and cash registers, and he would know—as others do —that he is talking nonsense."

Mill Valley Finance Director In On Job

Thomas T. Behnke began his duties yesterday as Mill Valley finance director.

The Santa Rosan, who has had eight years accounting experience, assumes duties of Earl Yancey, who resigned April 1. The new official said he plans to move to Marin when he finds a place to live for his wife, Barbara, and children, Celeste, 5, and Tommy, 3.

Marin Students In Talent Show At San Rafael High

"Capers '62," a variety show featuring high school talent, will be staged Friday at 8 p.m. in San Rafael High School auditorium.

The show has been organized through the efforts of girls of the senior Tri-Hi-Y Clubs of San Rafael, Drake, Redwood and Tamalpais High Schools. Mrs. Hal Lauritzen Jr. of San Rafael has been their adviser and co-ordinator.

Radio KSFO's Aaron Edwards will be master of ceremonies. Among the dozen acts will be the Rue-Chants of Tamalpais High School, College of Marin's Sundowners and the Mystics of Drake High School.

Jim Watkinson of San Rafael High and Novato High's Chris Clark are also featured on the program. Technical direction is by Charles Maurice, art and stagecraft instructor at San Rafael High, with Gale Theller of Drake High as stage manager.

The program will benefit the Marin County Society for Crippled Children and Adults, and the campership program of the YMCA, sponsors of the Tri-Hi-Y clubs.

Tickets may be obtained at the YMCA office at 1009 Irwin Street in San Rafael, or the Marin County Society for Crippled Children and Adults at 629 Mission avenue, San Rafael, or at the performance, if available.

Reduced rates will be available for student-body card holders.

High School Students To Be 'Bash' Critics

Journalism students from Marin County high schools, Sonoma State College and College of Marin have been invited to attend a press night and act as critics of the "Broadway Bash" dress rehearsal at 8:30 p.m. tomorrow in the Novato Community Building.

High school journalism classes invited to attend are San Rafael, Sir Francis Drake, Redwood, Tamalpais, Novato and Tomales.

Other students wishing to attend the dress rehearsals may purchase tickets from members of American Field Service.

The "Broadway Bash," the spring production of the Novato Community Club, will be presented at 8:30 p.m., this Friday, and Saturday, and May 11 and 12.

Members of the cast will appear on KGO television, Channel 7, at 7 a.m. May 10.

Public Defenders Elect Marinite

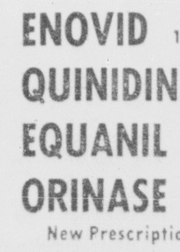

Peter Allen Smith, Marin County's public defender, was elected president of the California Public Defender and Legal Aid Assn. at a statewide conference held in Fresno last weekend.

Smith will serve from this month through April of next year. President of the association is William Lundgren of Modesto.

Cholly Grimm High On Prospects Of The S.F. Giants For Pennant

CONNOLLY

To a baseball scribe, sitting through a ball game with Charley Grimm next to you, is a real treat.

A high Cub official, as well as presently being one of the so-called "12 Apostle" managers, he makes his observations worthwhile. He speaks with the voice of authority, having played, managed, and scouted, as well as having spent a few seasons broadcasting on TV and radio.

It was my distinct good fortune to find Grimm at my elbow, and some of his observations were startling, some amusing, but all of 'em interesting.

To summarize Grimm's appraisal of the 1962 National League pennant race, I was somewhat shocked to hear him say the San Francisco Giants could "win in a walk" over the Los Angeles Dodgers if they have any luck with relief pitchers.

"HTHE GIANTS have the greatest power hitters in the league," sez Cholly, "and they're likely to get stronger as the season wears on. My only fear for the Giants is how well the relief pitchers will deliver. If they come through, the Giants will win the championship.

"Offhand I'd say the Dodgers have the best front line pitching and the speediest club in the league. But they lack the home run punch possessed by the Giants."

To Grimm, the best right-handed hitter in the National League is Orlando Cepeda.

"That statement," says Grimm, "covers a lot of territory, but I think he has an even quicker bat than did Rogers Hornsby and is a far greater hitter for distance."

THE CUB OFFICIAL didn't stop at praising only Cepeda. He continued right on down the line with special emphasis on Willie Mays, recently in a hitting slump.

"Mays," Grimm states, "can beat you with home runs, bunts, base running and fielding. He has no equal for all around excitement."

As for Pagan at shortstop, Grimm said that Jose and Hiller can't do anything but improve as a fine working second base combination.

"Felipe Alou and his kid brother, along with injured Harvey Kuenn, give the Giants a fine quartet of flycatchers," Cholly thinks.

Without attempting to second guess or be nosey about the Giants, Grimm has only one reservation about the Giants winning the flag.

"PITCHING, AND especially relievers, will tell the story," states Grimm, who thinks the starters are going to need relief to keep going at top speed.

"It's a long season and there is going to be a lot of platooning with pitchers," explains Grimm. "If the Giants get the help I think they are going to get, they can really turn the trick. But I am not counting out any of the first five clubs. The real job for Alvin Dark is keeping his relief pitchers working often enough to have effective control when they are called up to pitch."

"It's real amusing and interesting to watch a young club like the Chicago Cubs develop," Grimm states. "They stumble for a while before they get the hang of things.

"But after the youngsters catch on, they'll live to haunt those managers who were irritable while they were developing."

DISCUSSING night baseball in Chicago, the Cubs official says there is no chance.

"MR. P. K. WRIGLEY, the boss, is well aware of what ignoring night ball is costing him," explains Grimm, "but he likes the daytime variety and can afford to pass up the extra revenue."

It is estimated by Chicago newsmen with the Cubs here that if the Cubs played night baseball, they would draw at least 10 fullhouse crowds of 40,000 or more.

Redwood Takes Marin League Lead

Redwood Giants, decked by a 3-0 deficit in the first inning, came back fighting to clout the Drake Pirates 9-4 yesterday to take over undisputed possession of first place in the tight Marin Athletic League baseball race.

Strong relief pitching by Mike Cooney and timely hitting by Rocky Jordan paced the Giants to their fifth victory against one defeat and lifted them into the lofty position enjoyed by their San Francisco namesakes in the National League.

Elsewhere yesterday Marin Catholic's Dave Beswick pitched and batted the Wildcats into a second place tie by beating hapless San Rafael 3-0 and Tamalpais's Dave Perlis blanked Novato 2-0.

Redwood took charge in the sixth inning when Steve Minutoli and Terry Jarcik singled, advanced a base on an error and came home on Jordan's double. Jordan and Joe Weis scored the go-ahead runs, the latter being driven home on a single by Bob Scoville.

Redwood iced the game in the top of the seventh when two errors and singles by Minutoli and Jordan chased across three runs.

A run-producing double by Jarcik and a home run by Drake's Larry Kline were the game's other extra base blows.

At San Rafael, Marin Catholic's Beswick had a no-hitter going until the seventh inning when Bulldogs Monte Fitts and Harold Meller ruined it with singles. Beswick had six strikeouts and won his own game with two singles, one of which drove in a run. Shortstop Jerry Smith clouted two doubles and third sacker Bob Williams hit two singles to join Beswick and Smith as the game's only men to hit safely twice.

Tam's Steve Long and Bob Osborne each delivered a run-producing single and Perlis set down Novato on 11 strikeouts.

MOTA STEALS SECOND—San Francisco leftfielder Manuel Mota, right, slides safely into second base on a steal in the first inning of last night's game with the Pittsburgh Pirates in San Francisco. Pittsburgh shortstop Dick Groat gets the throw from the plate too late. Kneeling umpire is Augie Donatelli. The Giants won 4-2. (AP Wirephoto)

Bums Cop Marathon

Third string catcher Doug Camilli, making only his second appearance at the plate this season, singled in a tie-breaking run early today to give the Los Angeles Dodgers a 6-5 victory over the Chicago Cubs in 16 innings in L.A.

The game lasted five hours and six minutes and 40 players got into the action.

The game came within one minute of being called as a tie under the National League regulation that no inning may start after 12:50 a.m.

But the 16th inning made the deadline, and after the Cubs failed to score, pinch hitter Daryl Spencer led off with a walk and Willie Davis followed with a single. Then Andy Carey forced Spencer at third and Camilli came up. He singled to center to score Davis from second to end the game. It was Camilli's second hit in two times at bat this season.

The contest was the longest played by the Dodgers since they moved to Los Angeles. The previous record was 14-inning game on October 1, 1960, also with the Cubs, which Chicago won.

CARDS WIN

St. Louis bopped Houston 6-4 and Cincinnati walloped the New York Mets 8-2. Milwaukee and Philadelphia were idled by cold and wet grounds.

In the American League, the New York Yankees whipped Chicago's White Sox 6-1, Detroit beat Kansas City 3-2 in 10 innings, Washington nipped Boston 2-1, the Los Angeles Angels defeated Cleveland 8-6 and Minnesota beat Baltimore 8-3.

The Cardinals won their fifth in the last six games by chasing Colts' starter Dean Stone (2-1) with a five-run outburst in the first inning. Stone, who had won his two previous games by shutouts, caused his own downfall by walking three. Ken Boyer, Gene Oliver, Charley James and Julio Gotay each drove in one run with Minnie Minosa scoring on Boyer's hit as Jim Pendleton threw wild. Ray Washburn (2-0) won it with Ed Bauta's relief.

Joey Jay (3-3) scattered eight Mets hits — including Frank Thomas' seventh homer —and supported his own pitching with a three-run homer. The Reds put it away against former teammate Jay Hook (1-1) with consecutive singles by Vada Pinson, Frank Robinson, Gordy Coleman and Wally Post plus John Edwards' double accounting for four runs in the fourth inning.

S.F. Pitching Still Mighty

If you're a collector of streaks, take a look at some of these dandies compiled by the San Francisco Giants, who sought to tighten their grip on first place today.

—They have won seven straight.

—Their last five pitchers have gone the distance.

—Giant power has knocked 21 consecutive starting pitchers out of the box. In fact, no hurler has gone the distance against them this season.

Juan Marichal (3-2) got a chance to make it eight straight wins today when he opened on the hill against Earl Francis (1-1), the Pittsburgh Pirates' right-hander at Candlestick Park.

Manager Alvin Dark's devastaters hung a 4-2 defeat on the Pirates last night, collecting three runs in the second inning when Pittsburgh's defenses suddenly went awry.

"Just say that the Giants took advantage of their opportunities and won the game," Pirate Manager Danny Murtaugh rumbled when asked if the Bucs had beaten themselves.

BUCS TAKE LEAD

Pittsburgh had taken a 1-0 lead in the second inning on Bill Mazeroski's run-scoring single off Billy O'Dell. Then the Giants took advantage of three hits, a wild pitch, a passed ball and Mazeroski's error to rally for three runs in their half of the second.

A single by Jim Davenport brought in the tying run and Jose Pagan, who had gone from second to third on the blow, came home next on a wild pitch by loser Bob Veale.

Davenport, who moved to second on the stray delivery, went to third on a passed ball by catcher Orlando McFarlane, then came across as Mazeroski booted Manuel Mota's grounder.

Orlando Cepeda's seventh home run of the season came in the third frame, and midway through the fourth Veale was taken out with his second reversal.

O'Dell, although bopped for nine hits, went the route to bring his season mark to 3-0. Donn Clendenon nailed him for a ninth inning homer for Pittsburgh's only other run.

O'Dell struck out seven and did not allow a walk. Two double plays also helped him turn back the Pirates.

Klenz Shoots 38, But Drake Golfers Bow To Redwood

Walter Klenz of Sir Francis Drake High fired a 3 over par 38 to take medalist honors in a golf match with Redwood Monday.

However, Coach Dick Hart's Redwood Giants gave themselves a 4-2 record in Marin County Athletic League competition by defeating Drake at the Meadow Club in Fairfax, 4½ to 1½.

Friday the Giants host Marin Catholic, and coach LuVerne Lull's Pirates, with a 3-3 record, will be the guests of Novato.

Monday Redwood medalists were Rick Webb and Bill Schrader with 42 each. The best scores for Redwood were turned in by non-competitors John MacKay and Rod Blakey with 41 each.

The day's winners in addition to Klenz of Drake were Bob Betette, Tom Transue, Schrader and Bob Schefer, all Giants.

Wild Combinations Pay Big Money In Tanforan Doubles

SAN BRUNO (AP)—Remember the 8-2 combination that returned a $2,253.20 daily double at Tanforan last Saturday?

Any bettor who did remember—and then reversed the order and added 50 per cent to each number—got $976.60 back from yesterday's daily double as a reward for his arithmetical foresight.

Lottie Marie and Regular One, the 3-12 combination, were the horses who produced the fat payoff. Fifty-three backers—probably none of them using the ridiculous formula above—collected on the two longshots.

Blue Justice $8.80 ran down Wait, the favorite, in the May Day Lake Merced Purse.

Redwood Captures Marin Class C Track Pennant

The Redwood Class C track team has won the 1962 Marin County Athletic League dual track crown.

The Giants did it by defeating Sir Francis Drake high Monday 59-17.

The Redwood varsity wrapped up its dual season with a 4-3 record, the best the school has ever had. Coach Tony Baily's crew ended the season by downing Drake 64-49.

The Drake Bs whipped Redwood 58-44.

An unofficial MCAL pole vault record was scored by Kim Kruzberger with an 11-6 leap, and school records were smashed by Bob Anderson, Redwood junior, with a 46-1 push of the shot, and by Steve Solinsky with a 129-yard throw of the discus. All three Giants won their events.

Other varsity winners:

125 high hurdles, Ron Brandon, D, 16.7; 100, Jim Duff, D, 10.6; 440, Harley Miller, D, 54.; 880, Randy Keller, R, 2:04.2; 180 low hurdles, Brandon, D, 22.2; 220, Duff, D, 23.; mile, Pat Peterson, R, 5:00.2; relay, Redwood, 1:40.8; high jump, Mike Francheski, R, 5-6; broad jump, Solinsky, R, 19. B school record in discus by Forbes MacGrane, R, 107-9; C school record by Bruce Walford, R, in 660, 1:32.8.

SAN FRANCISCO (UPI)—The Grand National Rodeo, Horse Show and Livestock Exposition to be held at the Cow Palace next fall will include a performance by the Royal Canadian Mounted Police drill team.

Marin Swim Title Won By Unbeaten Redwood

Coach Eldon Bennett's Redwood High Giants are the undefeated 1962 Marin County Athletic League dual swimming champions.

Bennett's swimmers racked up their sixth straight loop victory in varsity competition by downing Tamalpais yesterday 68-27. Both Tam and San Rafael ended the dual season with 3-3 records in a tie for second place.

The Tamalpais Class B swim team won the MCAL crown with a 6-0 record and gained its 10th straight victory yesterday by beating Redwood 66-20, winning all but won first place of the meet.

School records were smashed yesterday by these Giants: Bill Hoxie in the 100 yard backstroke with a winning 1 minute, 5.4 seconds time; Ken Frost who won the 100 yard breast stroke in his best time of 1 minute 4.3 seconds.

The 200 yard relay time of 1:49.9 by Redwood (Detrick Frost, Foster, Herst) cracked a pool record.

Other varsity winners yesterday:

400 free, Don Keller R, 4:32.2; 50 free, Larry Herst R, 24.; 100 fly, Paul Foster R, 59.4 (best time); 20 free, Bill Anderson R, 2:00.1; 100 free, Bruce Von Borstel R, 54.4; diving, Bob Connell R, 1:34.5; 200 IM Tinsley Stetson T, 2:21.8; 200 free relay, Tamalpais (Laurie, Mosher, DePrado, Chambers).

Yuvan Paces S.R. Swimmers

Freestyler Lou Yuvan churned to victories in the 50 and 100-yard events yesterday to lead San Rafael High's swim team to a 67-28 rout of the Drake Pirates. His times were 24.4 and 54.6 seconds respectively.

In Class B San Rafael's Tom Knopf set two Marin League records by winning the 50 butterfly in 27.7 seconds and the 100 individual medley in 1:05.8. San Rafael won the Class B meet, 53-33.

Other varsity winners: 400 Free, Charles Benedict, D, 4:47.1; 100 Butterfly, George Girvin, D, 1:01.7; 200 Free, Johnny Mulder, D, 2:14.2; 200 Back, Dean Ferrandini, SR, 1:04; 100 Breast, Steve Manske, SR, 1:15.3; Diving, Jim Flanagan, SR, 143 points; 200 Ind. Tanforan Features Two-Year-Old Race

SAN BRUNO (AP)—Two-year-olds race the feature at Tanforan on Saturday with 14 nominated for the $10,000 added San Bruno Stakes at five furlongs.

Included in the potential entry list are such well regarded young runners as Royal Grounded, Nuthermart, Kicapu Kid and Monte Fresco.

MARIN LAD, 14, GETS ACE AT MILL VALLEY

Fourteen-year-old Ronald Johnson of 10 Sheridan Court, Mill Valley, claimed a rare golf fete yesterday at the Mill Valley municipal course.

Using a four-iron on the 134-yard fourth hole, young Johnson drilled the tee shot into the cup for a hole in one. His adult witnesses were Bill Woods and Bob Robertson, also of Mill Valley.

Pro Malcolm Brown described Johnson as "a good little player." For nine holes yesterday he carded a 38.

Indian Track Coach Cautious About Meet

STANFORD (AP)—Despite his team's fine record this spring, Coach Payton Jordan of Stanford's track and field forces can be excused for having some doubts about Saturday's Big Meet against California.

He hasn't come out on the winning side in five previous meetings.

"We're possibly slightly favored," he told Northern California track writers in an understatement yesterday. "But we've gone into Big Meets favored before and come out licked. We're not planning on a victory until the last event is over."

Novato Golf Team Hands San Rafael Its First Defeat

Coach Jerry Barnacle's Novato High golf team yesterday socked San Rafael with its first defeat of the season, 3½ to 2½.

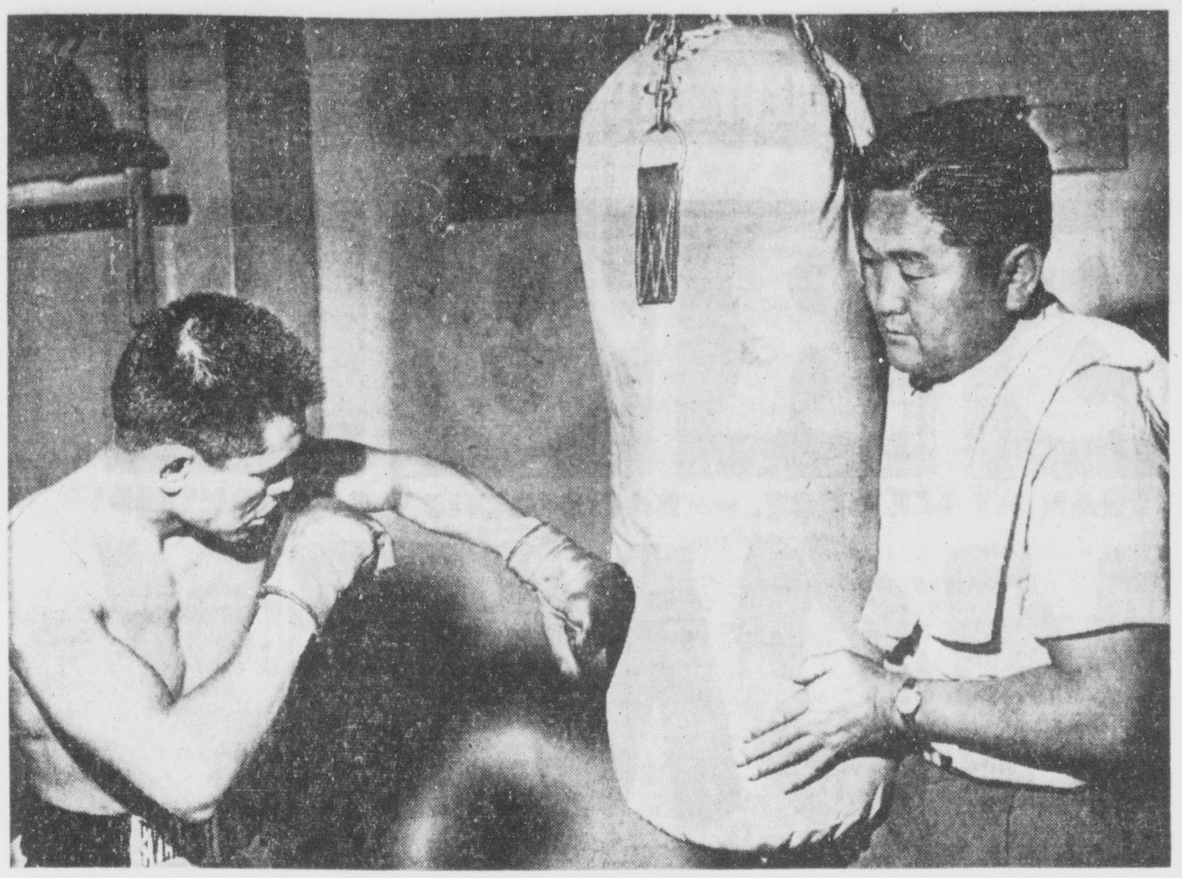

The victory came as number six Hornet Terry Young came in the final hole one down and knowing he needed to win the hole to give his team the victory. He did, giving the Hornets and San Rafael both a 4-1 Marin County Athletic League count.

The day's medalist at Marin Golf Club was Bill Wallace with a 38. Right behind him were Hornets Rob Shultz and Barry Hackmyer with 39s.

Player Has Praise For Rival Palmer

BOSTON (AP) — Arnold Palmer, current king among professional golfers, is a mixture of "talent and guts," according to his constant rival, Gary Player.

"If you are leading and Palmer is two strokes behind you, you are conscious of him," Player said. "He's so bold he's not afraid of anything."

As for his own game, Player said:

"The best thing that has happened to me was to finish out of the money in the Bing Crosby tournament. I had won money in 50 straight events and became too conservative.

"When the streak ended, I began to play all out again, and that's the only way for me to play."

Syracuse will make one of its infrequent trips to New York to play Army in a football game at the Polo Grounds on Sept. 29.

Pole Vaulting Marine Was On The Spot, So Did Impossible

LOS ANGELES (UPI)—Marine Lt. Dave Tork, the slim, new sensation of the track and field world, was forced to do the near impossible to avoid making a fool of himself.

Tork explained yesterday that during a visit to his home state of West Virginia several weeks ago he predicted he would pole vault 16 feet at the Mt. San Antonio Relays April 28.

The 27-year-old athlete, of course, not only topped 16 feet but exceeded every other vaulting record with a height of 16 feet 2 inches.

He told the Southern California sportswriters he felt confident sooner or later he would soar over the mythical 16-foot barriers, but asked sports writers at his Fairmount, W. Va., home not to print it.

"The next day it was there in the headlines," Tork said, "and I was really on the spot. I practically had to clear 16-2 to avoid looking foolish."

Tork said he was six foot even and "under 160 pounds." Though he looks about as skinny as one of his vaulting poles, the West Virginia University graduate feels his weight is perfect—since his fibreglass poles are 160-pound test.

Tork said he experimented with techniques and poles for several years before coming up with the ones he now uses. He explained that they were somewhat different from those of the world's only other 16-foot vaulter, John Uelses.

"The proof of which technique is better will come later this season when I vault against Uelses," Tork added.

Stanford Wins Again

STANFORD (UPI) — Stanford won its eighth straight baseball victory yesterday when it nipped San Francisco State, 7-5.

Rich Ferrazzana and Bob Overman each got three of the Cards' 13 hits.

High Bidding Starts Today On Former 49er R. C. Owens

The bidding was on today for one of pro football's greatest clutch performers, flanker back-end R. C. Owens.

Owens and the San Francisco 49ers ended contract talks yesterday with the agreement that further discussion "would serve no useful purpose."

The lanky Owens won a half-dozen games during his career with the Prospectors with his last-second leaping "Alley-Oop" catches and was one of the most popular 49ers.

He played out his option last season for a 10 per cent salary drop and became a free agent April 30.

A 49er spokesman said owner Vic Morabito's offer for a new pact was declined by Owens, who stated the figure he wanted. Morabito reportedly said it would be a higher contract than ever paid any 49er.

Owens said that he has had at least six offers from other teams.

Two are known to have come from the cross-bay Oakland Raiders and Canada's Montreal team.

Oakland Raider owners were reportedly offering Owens a $45,000 package deal including bonus, salary and a $13,000 yearly job with a manufacturing company.

Lightweight Champ Fighter Of Month

NEW YORK (AP)—Lightweight champion Carlos Ortiz of New York was named "fighter of the month" by Ring Magazine today for his one-sided triumph over defender Joe Brown in their 15-round title fight at Las Vegas April 21.

Brown was made the No. 1 contender followed by Dave Charnley of England.

In the heavyweight ranks Sweden's Ingemar Johansson was advanced from fifth to fourth in an exchange of places with Bob Cleroux of Montreal, Canada. The switch resulted from Cleroux' loss to third-ranking Zora Folley of Chandler, Ariz. Cassius Clay of Louisville, who stopped George Logan of Boise, Idaho, moved up from tenth to ninth. Argentina's Alejandro Lavorante fell from ninth to tenth.

FIGHTS LAST NIGHT

BOSTON—Willie Pastrano, 185, Miami Beach, Fla., outpointed Tom McNeeley, 203, Arlington, Mass., 10.

SAN ANTONIO, Tex. — Silky Shelton, 145, San Antonio, outpointed Gregorio Ceniceros, 145, Monclova, Mexico, 10.

TRIESTE, Italy — Nino Benvenuti, 154, Italy, outpointed Hector Constance, 154, Trinidad, 10.

U.S. Vs. Poland

CHICAGO (AP) — Top track and field athletes from Poland and the United States will compete in a dual meet June 30 and July 1 at the University of Chicago's Stagg Field.

Fighting Longshoreman Confident Of Victory

SAN FRANCISCO (AP) — Herman Marquez, a little-known bantamweight who will fight Eder Jofre for the world title Friday, gets much of his exercise lifting 100-pound sacks of rice.

Like most of today's boxers, Marquez has to make part of his living out of the ring—especially with a wife, seven kids "and onother one on third base" to support.

So, the 118-pound native of Sonora, Mexico, is a longshoreman on the waterfront of his home port, nearby Stockton.

Several baseball pitchers in the past found that a winter of longshoreman-style lifting made them so musclebound they couldn't throw properly.

But Marquez, a fancy-dan who pitches a continuous rain of punches, hasn't had that trouble. "I just go to the gym after work and loosen up again, so I never seem to get musclebound."

Marquez, 28, is in his prime at an age when- says his manager, Shig Takahashi, "most Mexicans are over the hill after fighting since they were kids."

Marquez won a local Golden Gloves tournament, then the 1957 National AAU bantamweight crown in just 12 amateur bouts. He turned pro in April 1957 and has become No. 3-ranked challenger with a 20-7-1 record.

He's fought only in the West and Hawaii, and never on national television. Jofre has never seen a film clip of Marquez in action.

The champ can expect a sharply-trained, durable foe who keeps the leather flying but isn't noted for any knockout punch. The challenger is strictly a boxer who likes to bore inside.

Takahashi figures his boy's best chance is to win a 15-round decision. But Marquez says "I'm ready to win by a knockout, too."

Marquez realizes this is probably the only title shot he'll get. But he's a quiet optimist. Even if the experts and the records disagree with him, in his camp it's "When I win," not "If I win."

San Rafael Netters Win Fifth Straight

Coach Fred Hines' San Rafael High tennis team blanked Novato yesterday for its fifth Marin Athletic League victory without defeat.

Results:

Harvey Klyce d. Dave Paul, 6-2, 6-1; Greg Pakerson d. Kris Kristopers 6-0, 6-0; Bill Clarke d. Gordon Scribner, 6-0, 6-0; Ron Klyce and Warren DeGraff d. Steve Earl and Gary King 6-3, 6-1; Rick Dykes and Randy Laferte d. Charles Pifer and Jeff Tule, 6-0, 6-1.

Retired Arcaro Says Best Derby Horse Was Citation

LOUISVILLE, Ky. (AP)—Eddie Arcaro, looking back on 21 Kentucky Derby mounts, including five winners, didn't hesitate when asked to pick the horse he would ride if he had to choose among all 21.

He named Citation, the 1948 winner.

"He could do everything so much better than any horse I ever rode in the Derby," said the 46-year-old jockey who retired recently with a record of having ridden in more Kentucky Derbies — and winning more—than any other jockey.

On a fast track, Whirlaway, 1941 winner, was Arcaro's second choice.

Marin Third In College Golfing

Playing without their number one Earl Brown, who had to stay home and take an examination, the College of Marin Tar golfers placed third behind American River and Napa yesterday in a Golden Valley Conference meet at Redding.

Marin's medalist with an 81 was Bob Marelli. Matt Simone with 83 and Carl Klenz with 85 were Marin's only other 80 shooters.

THERE'S A "SOUTH of the border" flavor in this colorful chicken dish. It's achieved by the spicy note of chili and onions added to the savory harmony of chicken, corn, green pepper and pimento and accented by black olives.

A Spicy Recipe For Chicken

"South of the border" flavor distinguishes this colorful chicken dish. Black olives combine with chicken, corn, green pepper and pimento into a savory harmony. For zest, there's a spicy note of chili powder and onions, and this one-dish meal is baked in a casserole until tender.

To serve four, you'll need:

1 fryer chicken, disjointed, sprinkled lightly with salt and pepper and browned in oil
2 chicken bouillon cubes
1 cup water
1 tablespoon flour
2 teaspoons minced onion
Dash of garlic salt
½ teaspoon chili powder
1 medium size green pepper, cut into strips
1 four-ounce jar pimentos, sliced
1 12-ounce can niblet corn
1 large can ripe olives, sliced

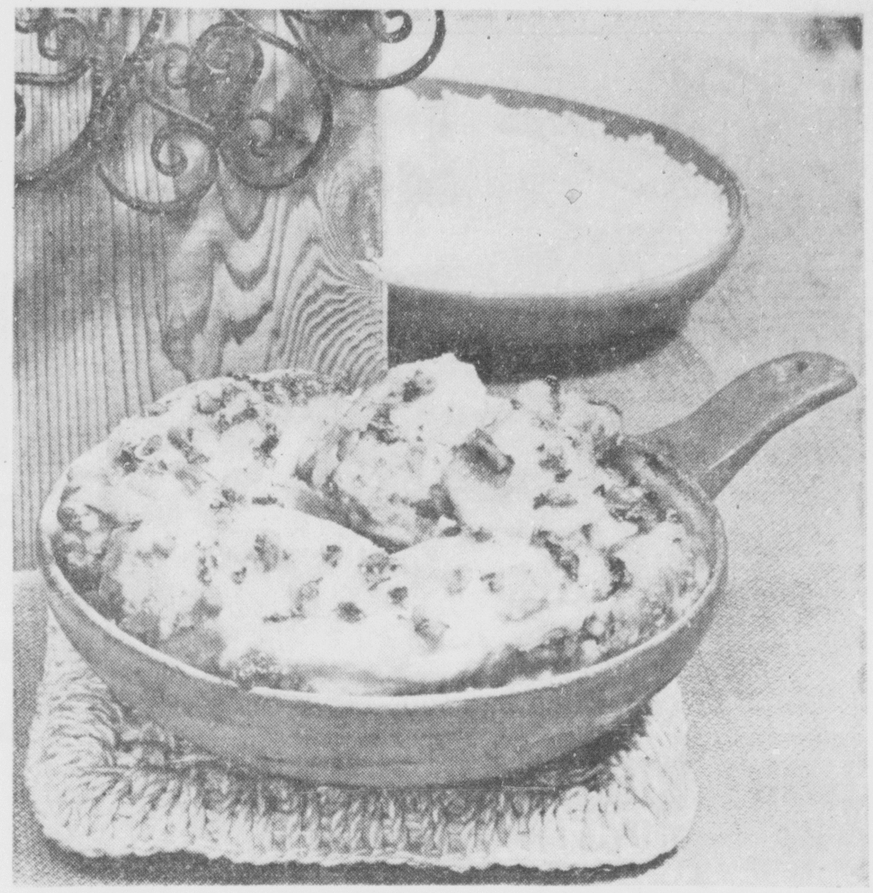

Brown chicken in oil, remove and place in casserole. To drippings in pan, add flour, brown slightly, then pour in water in which bouillon cubes, onion, garlic salt, and chili powder have been dissolved. Bring all to bubbling boil, until slightly thickened. Arrange chicken in casserole, adding in layers, corn, green pepper and olives; top with pimento strips. Pour sauce over all, cover and bake until chicken is tender (about 1 hours) in 375 degree oven.

Chicken Spanish Style

Like most Spanish recipes, Pollo Au Natural (or Spanish-Style Chicken) reflects the gay Spaniards' preference for color and flavor without restraint. Paprika, pimiento and parsley are the ingredients responsible for the bright touches of color; a blend of onion, garlic and lemond juice contribute to the superb flavor.

This is one of a series of foreign recipes selected for margarine to illustrate the product's new flavor and cooking qualities.

While the recipes are authentic, they have been adapted by home economists so that they are practical and easy to follow. This one, for example, simplifies the frying step by utilizing the oven method which enables unattended frying except for the one brief turning of the chicken parts. The sauce is at its best when tossed with rather than spooned over the fried chicken.

POLLO AU NATURAL

POLLO AU NATURAL
(Spanish-Style Fried Chicken)

½ cup (1 stick) Margarine
¼ cup flour
2 teaspoons salt
½ teaspoon pepper
¼ teaspoon paprika
1 frying chicken (3½ to 4 pounds) cut in parts
¼ Cup chopped onion
2 teaspoons garlic chips, rehydrated
½ cup chopped pimiento
¼ cup chopped parsley
½ teaspoon lemon juice

Place margarine in large shallow making pan. Melt in a hot oven (425 F.) 30 minutes. Turn and bake another 15 minutes. Remove from oven. Pour drippings into a saucepan. Add onion and garlic; saute 5 minutes. Add remaining ingredients; simmer another 5 minutes. Toss with chicken parts and serve at once with freshly-cooked rice. Makes 3 to 4 servings.

Add Sherry For Good Hamburgers

Elegant hamburgers: after frying the meat patties, dissolve the brown particles in the bottom of the skillet with a little sherry or red wine. To do this stir with a wooden spoon over very low heat. Pour this sauce, strained if you like, over the cooked meat. If there is an excessive amount of fat in the skillet after frying the hamburgers, it should be poured off before the wine is added.

Fancy Stew

Add to your next veal stew one can (8 oz.) tomato sauce and one tablespoon instant minced onion. When stew is thickened to desired consistency, stir in sliced ripe olives. Serve over hot noodles or rice.

Favorite From The South

Cooks all over the country have adopted interesting ideas from the Mexican cuisine. In almost any state nowadays, guests are likely to be offered a version of south-of-the-border guacamole.

That seasoned avocado dip comes with various additions. In New York, the chef at our favorite small Mexican restaurant loads it with minced onion, salt and pepper, and molds it on a small platter. Then he makes the avocado mixture look like a porcupine by inserting corn chips over its surface.

The idea is to lift a corn chip—we're talking about the crisp deep-fat fried morsels available in see-through bags—and scoop up some of the guacamole with it. While waiting for a main course to be cooked to order, many of the restaurant's guests enjoy this smooth and crunchy hors d'oeuvre with before-dinner drinks.

Less often seen, but worth respect, is guacamole made into a set mold. We served this recently as a help-yourself first course, with salad-size plates and forks, for a supper buffet. With the molded guacamole we offered pickled mushrooms, boneless sardines, whole canned pimientos, endive, water cress and crisp rolls.

Here's the recipe we used, made in a 3-cup ring mold for half a dozen of us. For a bigger party, double the recipe and the size of the mold. Or if you're nervous about removing the guacamole from a ring mold, or haven't any, take the simple way—use small custard cups or other individual molds without pattern.

MOLDED GUACAMOLE

1 envelope unflavored gelatin
¼ cup cold water
¾ cup boiling water
2 tablespoons lemon juice
1½ cups finely mashed avocado
⅓ cup mayonnaise
½ teaspoon salt
1 teaspoon finely grated onion (pulp and juice)
¼ cup minced celery
Tossed green salad and avocado half-moons

In a medium mixing bowl, sprinkle gelatin over cold water to soften. Add boiling water; stir to dissolve. Stir in lemon juice, avocado, mayonnaise, salt, onion and celery. Turn into a 3-cup ring mold; cover tightly with transparent plastic wrapping; chill until set. Unmold. Fill center with tossed green salad and arrange half moons of avocado around sides.

Serve this mold the same day it's made because the exposed top of the avocado mixture has a tendency to darken if kept too long; if this should happen, just scrape off the darkened film with a spoon and unmold as usual.

Unmold the guacamole by inserting a small spatula around the sides of the mold and right down to the bottom; dip mold briefly in hot water; place serving plate over top of mold; invert the whole thing; use a few firm shakes to dislodge guacamole to center of serving plate. If it doesn't come out the first time, dip briefly again in hot water. Wipe plate around guacamole with a soft paper napkin if necessary.

Buttered Beans Fanciful Dish

Does your family take to new flavor combinations? If so these green beans may take their fancy.

Salmon Loaf Mashed Potatoes
Buttered Dilly Beans
Salad Bowl Bread Tray
Brown Betty Beverage

BUTTERED DILLY BEANS

1 pound snap beans
1 cup boiling water
Salt
2 tablespoons butter or margarine
¼ teaspoon dill seed

Cut ends from beans; scrub in cold water. Cook rapidly in covered saucepan with the water and ½ teaspoon salt just until tender-crisp—10 minutes or longer; lift cover a few times to help beans stay green; drain. Slowly heat butter with dill seeds just until butter begins to brown; mix with beans. Makes 4 to 6 servings.

Brush With Butter

When you are preparing tomatoes as an accompaniment to a main dish, you can brush the cut sides of the halved tomatoes with melted butter and brown them rapidly under the broiler, then put them in a moderate oven (a convenient waiting period) to finish the cooking.

Add Pork For Good Meat Loaf

Just for a change—add pork sausage to ground beef to make a meat loaf.

Beef Sausage Loaf
Baked Potatoes
Broccoli with Hollandaise
Salad Bowl Bread Tray
Apple Pie with Cheese
Beverage

BEEF SAUSAGE LOAF

1 pound ground chuck beef
½ pound pork sausage
1 egg
1 medium onion, finely grated (pulp and juice)
1 small clove garlic (crushed)
2 tablespoons minced parsley
2 tablespoons chili sauce

Mix together the beef, sausage, egg, onion, garlic, parsley and chili sauce. Pack into a loaf pan (about 8 by 4 by 3 inches). Bake in a moderate (350 degree) oven 60 minutes. Allow loaf to stand about 10 minutes to absorb some of the juices before turning out and slicing. Makes 6 servings.

Cocktail Alaska Gourmet Dessert

"Grapefruit Alaska" is a gourmet dessert—dramatic to serve and delightful to eat. Scoop insides from cut and sectioned halves of grapefruit, saving halves for "bowls." Combine grapefruit sections with drained contents of one can (1 lb. 1 oz.) fruit cocktail. Spoon fruit mixture into bottoms of "bowls"; top each with a scoop of orange sherbet or vanilla ice cream, then swirl on fluffy meringue to cover entire top. Brown under broiler; heat and serve immediately.

Convenience Onion

If you have never used instant minced onion, buy some today and see how it saves time and waste in the kitchen. Substitute one tablepoon of this always-ready-to-use onion in most recipes calling for one-fourth cup chopped onion. As a start, enjoy instant minced onion in hamburgers, meat loaves, salad dressings and gravies.

HONORED AT TEA

Four new members of the Ross Brookwood Guild of Sunny Hills were honored at a tea by, from left, Mrs. David N. Plant and Mrs. Ernest W. Denicke at the Plant home in Ross. Honored guests were Mesdames A. Crawford Greene Jr., seated foreground; Hugh Jacks and Patrick Foster, all of Ross. The fourth new member is Mrs. Noble Hamilton. New officers, who were honored at a luncheon at the home of Mrs. W. H. Grace, are Mesdames Lawrence M. Roberts, president; Robert O. Cole, vice president; Joan Polsdorfer, recording secretary; Edwin Lewis, corresponding secretary; John C. Gilman, treasurer, and E. L. Griffith, Bargain Box chairman. The guild decorates straw hats, directed by Mrs. Erik Holtemann, and owns and rents cotton candy machines as its fund-raising activity, headed by Mrs. Melville Wolf. (Independent-Journal photo)

Drake P-TA Installs, Gives Award

At the recent meeting of Sir Francis Drake High School Parent-Teacher Association, Mrs. Brooks Pringle was installed as president by Mrs. H. B. Hennessy, president of Ross Valley Council.

Serving as officers are Mrs. Theo Lilienthal, first vice president; Mrs. William Bovard, second vice president; Mr. Irwin Diamond, third vice president; Harold Allison, fourth vice president; Mrs. George Steen-Larsen, corresponding secretary; Mrs. Harold Sharrow, recording secretary; William P. Lanigan Jr., financial secretary; Mrs. George Benoit, treasurer; Mrs. James Smith, historian and Jerome Hannigan, auditor.

A surprise highlight of the evening was the presentation of an Honorary Life Membership in the California Congress of Parents and Teachers to a retiring teacher, Wallace Andrews, by one of his former students, Mrs. Sam Goldbaum. Mrs. Andrews was asked to come to the stage with her awe-struck husband while his life was related to the members and then she was presented with a corsage.

Not only has he taught mathematics to high school students for 40 years but he has been both a basketball and tennis coach at Tamalpais High School. Since 1946 he has counseled 4500 students. In 1960 he won the Valley Forge Freedom Foundation medal for classroom teachers.

ADMIRING A FOUNTAIN at the home of the A. J. Daggetts in Ross which will be one of the seven gardens featured Saturday on the Garden Society of Marin's tour is Mrs. Leona Harrington. Hours for the tour will be 11 a.m. to 4 p.m. (Independent-Journal photo)

Seven Gardens To Be Featured In Society Tour Set Saturday

A hilltop garden with panoramic view of mountains and valley is first of the list of seven Marin gardens on view for the annual spring garden tour on Saturday, sponsored by the Garden Society of Marin.

The garden of the A. J. Daggett home at 74 Baywood Avenue, Ross, was owner designed and features an oak bordered patio. Shuttle bus service to the Daggett garden will be furnished from the public parking area at Bolinas Road and San Anselmo Avenue in San Anselmo.

A companion to the Daggett garden is at 78 Baywood Avenue. Entering through an oak grove, guests will see the spectacular view from the hillside deck with its pool, cabana and portable plantings designed by the owners, Paul Anderson and Robert Watts.

Capt. L. F. Teuscher of Pt. Reyes, garden society president, has appointed Mr. and Mrs. LeRoi Dowdell of San Rafael, chairmen of the tour. Tickets may be purchased at the Marin Art and Garden Center in Ross or at the gardens the day of the tour.

A shade garden of rhododendrons, camellias and azaleas under oaks will be shown at the home of Dr. and Mrs. Albert Daniels at 1 Allen Lane in Ross. The garden with its Chinese Yang Tao arbor and orchid hothouse was designed by William L. Kapranos, landscape architect of San Anselmo.

Reminiscent of early Marin is the strolling garden of Mrs. B. H. Dibblee at Upper Road in Ross. Planned and developed by Mr. Dibblee after World War I, and with Louis Lioncini as gardener since 1919, its garden paths will lead visitors among azaleas and rhododendrons beneath ancient oaks.

A suggestion of oriental influence can be seen in the garden at the H. C. Billings Jr. home at 15 Rosebank Avenue in Kentfield. Designed by William Kapranos, it includes patio and pool surrounded by aged junipers.

A terraced rock garden high on a hilltop at the home of Mr. and Mrs. Leo W. Webb, at 15 Piedmont Road in Larkspur was owner designed.

The William A. Pomeroy garden at 86 San Carlos Avenue, Sausalito is a requested repeat of last year's tour. This charming Japanese garden with its rare and beautiful imported plants and ornaments, fountains and waterfalls was designed by Japanese philosopher Sakari.

SCOUT DAY CAMP REGISTRATION PLANNED FRIDAY IN 2 LOCALES

Registrations for all Brownie and Intermediate Girl Scout Day Camps will be made by Troop Outdoor Chairmen Friday at either First Presbyterian Church, 1510 5th Avenue, San Rafael, or Episcopal Church, 5th and Grant Avenues, Novato, between 10 a.m. and 2 p.m. All Scouts wishing to attend day camp sessions should contact their troop outdoor chairmen before Friday.

Brownie Scout day camps will be held at Stafford Dam, Novato, starting July 9, and three sessions at Sky Oaks, Fairfax, starting July 9, July 23, and Aug. 6. All sessions will be from 10 a.m. to 3 p.m. on Mondays, Tuesdays, Thursdays and Fridays for two weeks.

Intermediate Scout day camp will be held at Arequipa, Fairfax, from 9:30 a.m. to 3:30 p.m. on Mondays, Tuesdays, Thursdays and Fridays for two week periods, starting July 9 and Aug. 6 for Northern Marin, and July 23 for Central and Southern Marin.

Non-Scouts may register for all sessions after May 15 at the Girl Scout office, P.O. Box 1, Fairfax.

MARIN'S SOCIAL WHIRL

Real Fun Weekend Planned For A Number Of Families

By FLORENCE DONNELLY

A real fun weekend is being anticipated by a number of Marin couples, who are taking their children with them to Mendocino County. The outing has been arranged by the Bovard Shibleys of Ross. Pat Shibley says there will be about 50 in the group including the youngsters. Among those who have made reservations are Dr. and Mrs. E. B. Spiller, Messrs and Mesdames Shibley, Joseph Cooper, Phil McCoy, William Milliken, William Shaw, Hugh Carruthers, Ed Solinsky, Russell Pierce, James MacKay, William Woolston, Mrs. Walter Zwieg and Mrs. Harry D. Johnson.

They'll drive north May 12 and half of the group will stay at Little River Inn, the others will be at Driftwood Inn in Fort Bragg. They'll meet for dinner Saturday night at Pine Beach Inn. Sunday will be the thriller for the youngsters, the famous Skunk train has been chartered and in the diesel-powered train the group will wind through redwood groves, over tunnels and trestles and bridges on the 40-mile trip from Fort Bragg to Willits. During the two-hour layover of the Skunk in Willits the Marinites will go by bus to Brook Trail Ranch for lunch before boarding the Skunk for the trip back to Fort Bragg. Most of the families will return home Sunday night but a few will remain to make the tour of the huge Union Lumber Co. sawmill at Fort Bragg. There is a possibility that Rusell Johnson, (whose family owns the mill) may join the group.

A REUNION of those who recently flew to Hawaii together took place Sunday at a brunch at the San Francisco home of Mr. and Mrs. James Hale. Among those from Marin attending were Mr. and Mrs. Charles Cain, Mr. and Mrs. Bruce Bernhard and Mr. and Mrs. Floyd Gilman.

The Cains and their daughter, Candy, a sophomore at Redwood High School, recently returned from the south. They went to Palm Springs and then stopped in Pasadena to visit longtime friends, Mr. and Mrs. Hilles Bedell. He is on the board of the Tournament of Roses, the spectacular which brings thousands of people to Pasadena every year. The Cains will return to Pasadena the later part of June to attend the wedding of the Bedells' daughter, Joan. An added thrill will be the return of the Bedells' son, Van, who has served with the Army in Korea for a year and a half.

NEW RESIDENTS at Marin Bay are Mr. and Mrs. Ted Kelley who formerly lived in Santa Ana. He is vice president of Wilson Harrell and Co. Inc. and will be in the San Francisco office. The Kelleys have seven children, Francie, Laura, Teddy, Michael, Kevin, Kathleen and John. They range in age from one year to 13.

ON AN EXTENDED TOUR of the Orient are long time residents of Larkspur, Mr. and Mrs. John Barry. They flew to Hawaii where they were met by Mr. and Mrs. Samuel Askins of Honolulu, who formerly lived in Chevy Chase, Larkspur and Mr. and Mrs. William Gordon of Honolulu, whose son, William Gordon Jr., is recreation director for Larkspur and Corte Madera. The Barrys also saw William Lewis of Larkspur, who was in Honolulu on business. The Barrys headquartered at Hotel Halekulani then flew to Okinawa to see their son, Harlan Barry, who has been stationed there by the Navy for a year and a half, his wife and infant son. The Barrys and their son and daughter-in-law flew to Hong Kong for five days and then all went back to Okinawa. From there the Larkspur couple went to Japan and stayed at the Hotel Imperial in Tokyo. On the way back the Barrys again stopped in Honolulu and had a surprise visit from her brother, Harlan Welton of San Jose, who is with Dole Pineapple Co. The Barrys will return to Larkspur Sunday.

Madera Guild To Present 'Modes d' Ete On May 23

Madera Guild of Sunny Hills will present "Modes d'Ete" as the theme for its annual luncheon fashion show to be given May 23, at 12 o'clock at Sabella's of Marin.

Mrs. Charles Gondak is president of the Madera Guild and proceeds of this benefit luncheon will go for their booth-for-sale items of handmade, new and used jewelry, and the Sunny Hills "meal in a bun" food booth, both featured at the fall Grape Festival.

Mrs. William Hood is general chairman for the luncheon which will carry out a pink and gold French motiff, table centerpiecees to be miniature gold replicas of the Eiffel Tower, trimmed with pink flowers.

Seasonal styles, highlighting travel, sports and evening wear will be professionally modeled with Mrs. John Farrar directing, Miss Anne Demeter, commentator, and Mrs. Fred O. Foster, music.

Guild members and committee chairmen working on the luncheon are: Mesdames John Hamilton, W. C. Anderson, tickets and reservations; Donald Fox, Arthur Croker, decorations; Michael Perrone, James Tonge, awards and favors; and Matt Schau, publicity. Tickets may be obtained from Mrs. Hamilton or any of the Madera Guild members.

ORCHIDS FOR THE LADIES

Checking their wraps at Saturday night's spring formal at the Marin Golf and Country Club attended by more than 100 members are, from left, Mesdames Robert N. Jackson, Paul D. Buchholz and Mr. Jackson and Mr. Buchholz. The women were presented orchids for the occasion.

Club Plans Opening Day Breakfast

The Sausalito Cruising Club will be host at its 14th annual "Opening Day" breakfast Sunday in the new clubhouse when the yacht season officially opens with a big parade.

Commodore Richard Hays will also be honored at the breakfast, which will be served from 8 to 10 a.m. Acting as chefs will be Alex Coutts, Romeo Ratto and Roy Swartz.

Sailboats will assemble for the big parade at 11 a.m. and power boats will rendezvous off the Spinnaker at 11:30 a.m. Following the parade, boats will return to the clubhouse for a day of festivities.

The Hunter's Point Yacht Club fleet is expected to be among guests, and the club will be host for several days from the San Joaquin Yacht Club.

Tickets for the breakfast are being handled by Mesdames Richard Hibbard and J. B. Caro.

Charles Ravanis Mark Anniversary

Mr. and Mrs. Charles Ravini of Fairfax celebrated their 61st wedding anniversary on Sunday at a dinner for the family, including seven children, 14 grandchildren.

MAJ. AND MRS. Keith Smith Latham, married recently at the Mill Valley Community Church. The bride is the former Mrs. Virginia Sanbourne Batson, daughter of Mrs. Eleanor Dixon Sanbourne of Mill Valley. (Photo by Phil Planert)

Mrs. Virginia Batson Weds In Mill Valley Church Rite

Mrs. Virginia Sanbourne Batson of San Francisco and Maj. Keith Smith Latham were married April 21, in the Mill Valley Community Church.

The reception was held afterward at the home of the bride's mother, Mrs. Eleanor Dickson Sanbourne. The bride's father was the late Dr. Lewis H. Sanbourne of Benecia.

The bridegroom, who is stationed with the U.S. Air Force in Rome, N.Y., is the son of Harold G. Latham of Ottawa, Canada, and the late Mrs. Latham.

The bride was given in marriage by her uncle, Elliott Shaffer of Loleta, in the 4 p.m. ceremony performed by the Rev. E. C. Campbell. Relatives and close friends only were present.

The new Mrs. Latham wore a gold silk wedding suit and white hat, and her bridesmaid, Miss Mary Souza of San Francisco, was attired in a beige silk suit and matching flowered hat.

Best man was the bride's brother, Capt. Morgan Williams Sanbourne of the U.S. Air Force.

A graduate of the University of California at Berkeley, the bride attended the Samuel Merritt School for Medical Record Librarians and until she was married was head medical record librarian for the City and County of San Francisco at the San Francisco General Hospital.

Andrea Kaldor Engaged To Wed Kenneth Gale

A dinner party held recently for the family at Edgewater Inn's Banquet Room was the occasion for the announcement of the engagement of Andrea Helene Kaldor and Kennteh Alan Gale.

The bride-elect, who is a junior at the University of California at Los Angeles, is the daughter of Mr. and Mrs. Irving Kaldor of Greenbrae and the sister of Ronald Kaldor, a senior at Redwood High School.

Parents of the prospective bridegroom are Mr. and Mrs. Irving Gale of Los Angeles.

Andrea was graduated from Redwood High in 1959. She spent her first year and a half at the University of Colorado and then transferred to UCLA.

The future benedict is serving with the U.S. Army until August. He graduated from the University of California at Los Angeles and has one more year of study to receive his degree in Optometry. Mr. and Mrs. Joseph Neisner of Los Angeles are his maternal grandparents.

The bride-elect's maternal grandparents are Mr. B. M. Levin of Los Angeles and Mrs. Anna Levin of Greenbrae.

Puffy Prices Ruffle Truffle Loving Folk

WASHINGTON (UPI) — These are dark days for gourmets, reports the National Geographic Society. Truffles are selling for astronomical prices.

Truffles are the vital ingredient that imparts a distinctive pungent flavor to sauces, garnishes and sauces. Gourmets also relish truffles baked whole in hot coals, steeped in cream or wine, grated in omelets, chopped in fondues, sliced over eggs benedict and tossed in salads.

But the "black diamond of the kitchen" recently brought a record $21 a pound in Paris. The reason—the small, black fungus is hard to find, the society said.

The roots of trees, usually oaks, are believed to supply nourishment but the fungus is capricious in choosing a host tree, the society explained.

The truffle hunter needs, besides trees, a dog, a pig or a goat. The human sense of smell rarely can detect a truffle. The French usually hunt with trained pigs. In Italy dogs lead the search. Sardinians use goats.

Not every pig is a potential truffle hunter, the society said. French farmers test the females in a litter by offering them truffle tidbits. The animals that display the most interest receive basic training around the age of two.

Dogs are not as perceptive as pigs in sniffing out truffles, but they are more obedient and tire less quickly, according to the society. There is a school for truffle hounds in Alba, Italy.

Truffles have been man's favorite fungus for centuries, the society said. The Roman poet Juvenal wrote that Libya might keep its wheat if only it would send its truffles.

Juvenile Delinquency Going Down Though Still Rising In Slums

Juvenile delinquency is going down in most places, but it keeps rising in our city slums. Slums are a special problem.

It is no wonder the kids in them become hoodlums. There is almost no incentive for them to be good. Their families are weak. Their schools are inferior. Race projudices are violent. Work is scarce. Playgrounds are nonexistent. Gangs run wild. Housing is unbelievably bad, poverty is rampant and disease and malnutrition are common.

We've had slums for generations. They used to be filled with folks from Ireland and eastern Europe. Now they're crammed with Negroes and Puerto Ricans. Unless you've either worked or lived in a slum you can't understand how awful it is.

What can we do about slums? Many things, including the establishment of better schools. New York City now provides buses to take slum children out to more privileged schools. From what I can learn the plan is not working. If enough children are taken to dominate the new school, the other parents withdraw their children. If only a few slum children are taken, they're discriminated against by the resident kids. Conflict results in either case.

I think it might be wiser for us to set up our very best schools in the slum areas, and have pupils who live nearby attend them—our best school building, instead of our worst; our best teachers, with extra pay for their extra work; our smallest classes, instead of our largest; our best guidance and counseling programs; our best libraries, laboratories and playgrounds. I can't find any city which has tried this, yet. I hope they all will soon.

READERS' FORUM

(Q) "Are gifted children ever born in the slums? Aren't slum children usually stupid?"

MRS. D.N.

(A) Many gifted children are born in slums. Slum children are not stupid. The environment is against them, that is all.

Bayside Central P-TA To Hear Talk On Hollis

Sausalito's Bayside - Central School P-TA members will install officers and hear a talk by Marin Superintendent of Schools Virgil Hollis at the meeting May 9.

It will be held at 8 p.m. in the school auditorium.

Officers to be installed are Mrs. Jacques Neuville, president; Mrs. Harry Burke, first vice president; Harold Sleight, second vice president; Stuart Linton, third vice president; Mrs. Leon D. Adams, secretary; Mrs. Jack Perry, treasurer; and Mrs. Frank Bosl, historian.

Hollis will explain the office of state superintendent of public instruction and its importance to voters in the coming June election. He decided not to enter the race himself and has not personally endorsed and candidate.

A question period will follow his talk. Coffee will be served.

Janet Tait Engaged

Mr. and Mrs. Walter J. Tait of San Rafael announced the engagement of their only daughter, Janet Elizabeth, to Richard Allen Bobrick of West Los Angeles, at an open house for 300 guests on Palm Sunday, from 3-5 p.m. at their home in Loch Lomond.

Mrs. Tait wore a silk sheath of peacock blue with orchid corsage, and Janet wore a turquoise silk sheath with a corsage of white orchids.

The bride-elect is in her senior year at UCLA as a sociology major and will be graduated in June. She is a member of the Chi Omega sorority and of Anchors, an honorary women's auxiliary of the Naval ROTC. She attended the University of Oregon for her first two years, where she was a member of Kwama, sophomore women's honorary society. She transferred as a junior to UCLA, from which both her parents were graduated.

Janet was graduated from San Rafael High School where she was president of the junior class, editor of the school paper, student body social secretary, a member of Les Couturiers, girls' honorary service club, member of the student council, and life member of the California Scholarship Federation. She is the granddaughter of Mrs. A. H. Bosshard and the late Mr. Bosshard of Los Angeles, and the late Mr. and Mrs. Adam Tait of San Pedro.

Dick is the son of Mrs. Benjamin Bobrick and the late Mr. Bobrick of West Los Angeles. He is a graduate of University High School in West Los Angeles, and attended Santa Monica College. He is a partner with his older brother, Mitchell, in the industrial design business. Their company is the Mitchell Bobrick Production Development Associates in Los Angeles. The couple will make their home in West Los Angeles.

The wedding is planned for Sept. 9, at the Stewart Memorial Chapel of the San Francisco Theological Seminary in San Anselmo.

Marin Women

Many Attend Orientation At Hospital

An orientation class for new mothers was held recently at Marin General Hospital.

Among those learning about hospital routine from Mrs. Gundrun Pierce, obstetrical supervisor, were Mesdames Joseph Soldavini, William Holloway, James Zogg, Richard Lyman, Alfred Hoffman and Thomas Clark, all from San Rafael.

Attending from Novato was Mrs. Kenneth Lax; Mrs. Jimmy Fust attended from Woodacre; Mrs. Robert Jones of Oakland; Mrs. Harold Fiosne of Greenbrae; Mrs. Edward Provost of Corte Madera and Mesdames Eugene Wedell and Frank Paul Clements from Sausalito.

Three attending from Fairfax were Mesdames William Bake, Richard Avilla and Harry Daviess.

Attending from Mill Valley were Mesdames Louis Martinez, Bradford Burris, Richard Bluhn, Bernard Weinstein and Larry Shuster.

Six women from San Anselmo who visited were Mesdames Fred Dilbeck, George Raddue, Charles F. Butler Jr., Gerald Ratto, Michael Shaw, and Billy Brandon.

Pink Ladies who acted as hostesses for the tea and tour following the orientation course were Mesdames Samuel Gunnison, Hans Fischel, Charles Luchessa and Patricia Ray.

Orientation courses for new mothers are held on the first Wednesday of each month at 2 p.m. at Marin General. Reservations are made through the obstetrical department.

Gamma Phi Beta Table Setting Tea Planned May 22

Mrs. Merritt Robinson of Sleepy Hollow was hostess recently at an evening meeting of the Gamma Phi Beta Alumnae of Marin at her hilltop home in San Anselmo. Assisting the hostess with dessert was Mrs. James Mahan of Mill Valley.

Mrs. Jack Cole, newly installed president of the group, presided at the business meeting.

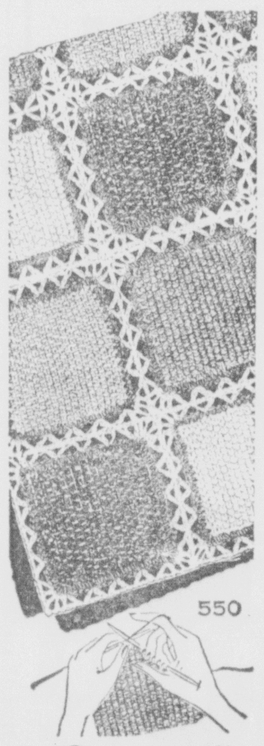

Mrs. Byron Trott, chairman of the table setting tea to be held May 22 at the home of Mrs. Preston Jones in San Rafael, announced there would be 15 different types of settings depicting various countries as the theme is "A Tour Around the World." Tea will be served from 1:30 until 4 p.m. Mrs. Stanley Borges of San Rafael is in charge of the invitations and Mrs. Kenneth Dunn of San Anselmo is handling the publicity.

The affair will provide a campership for a Marin child to Dr. Mary B. Olney's diabetic camp near Sequoia National Park as well as to send underprivileged children to the Gamma Phi Beta camps at Sechelt, British Columbia and Indian Hills in Colorado. The event will also give summer scholarships to the gifted child study program at the University of Nevada, University of the Pacific and at Stanislaus State College.

Special guest of the evening was Mrs. E. J. Spanier of San Francisco, newly appointed province alumnae director, who explained the summer workshops for teachers interested in the gifted child program and reviewed activities of other Bay Area alumnae groups.

New members welcomed into the group were Miss Virginia Bosworth of Fairfax who attended the University of Winnepeg and Mrs. Tom Dahlgren of San Anselmo and Mrs. Burton F. Millard Jr., of Belvedere, both graduates of the University of California.

'OPERATION FRIENDSHIP'

Mental Health Assn. Plans Tour Of Napa Hospital

The Marin Assn. for Mental Health announced plans today for a tour of Napa State Hospital on May 10, in keeping with Mental Health Month throughout the nation.

The chartered bus trip has been named "Operation Friendship" and the guided tour of the hospital will give any interested citizen a chance to see first - hand the mental health facilities available in Marin.

The Marin Assn. for Mental Health was established offcially in June, 1958, with the objective of expanding mental services in Marin to include short-term treatment where it is indicated as well as establish out-patients in all our county hospitals.

Mrs. Wilson B. Partridge, newly - elected president of the Assn., urged those individuals interested in attending "Operation Friendship" to make immediate reservations, since space is limited.

The bus will leave Mill Valley bus depot at 10 a.m. on May 10, and will pick up passengers at the San Rafael bus depot at 10:15 a.m., with arrival back in Mill Valley scheduled for 4 p.m. that afternoon.

Reservations are being taken now by Mrs. Partridge and Mrs. J. Paul Limont.

Dance Season To Culminate In Student 'Spring Frolic'

The Schulman's House of Dance is ending another teenage ballroom dance season with the fourth annual "Spring Frolic" at the Corte Madera Recreation Center on Friday at 7:30 p.m.

Edward Schulman, director, has been instructing dance classes throughout the Marin County Schools. Students attending classes in Mill Valley, San Rafael and Novato, as well as the private Cotillion class in San Anselmo will attend the party.

The king and queen trophy contest for the year's best dance couple will be the major event. Mr. and Mrs. Bob Burkart of Santa Rosa will be the judges.

Patrons will include Messrs. and Mesdames Roger Brooke, Joel Miller, Dan Miller, Stanley Schriebman, David Schwab, Walter Camiccia and Frank Hawkins.

Coleman School P-TA Presents Two Memberships

Honorary Life Memberships were recently awarded by the Coleman School Parent-Teachers Assn. to Mrs. Orville Grimes and Mrs. Albert Thomson.

Mrs. Grimes has been on the Executive Board of San Rafael High School, and is presently serving as health and safety chairman at Coleman. In the past she has held many positions on the Coleman P-TA Board as chairman legislature, health and safety and citizenship. Mrs. Grimes has also worked extensively with the Cub Scouts and the Camp Fire Girls.

Mrs. Thomson has been on the Executive Boards of the San Rafael P-TA Council, San Rafael High School, and Davidson Junior High School. She was president of Coleman School P-TA, and has served as music chairman for several years. She also started the Hot Dog Sales at Coleman.

Welcome Wagon Plans Box Lunch Special

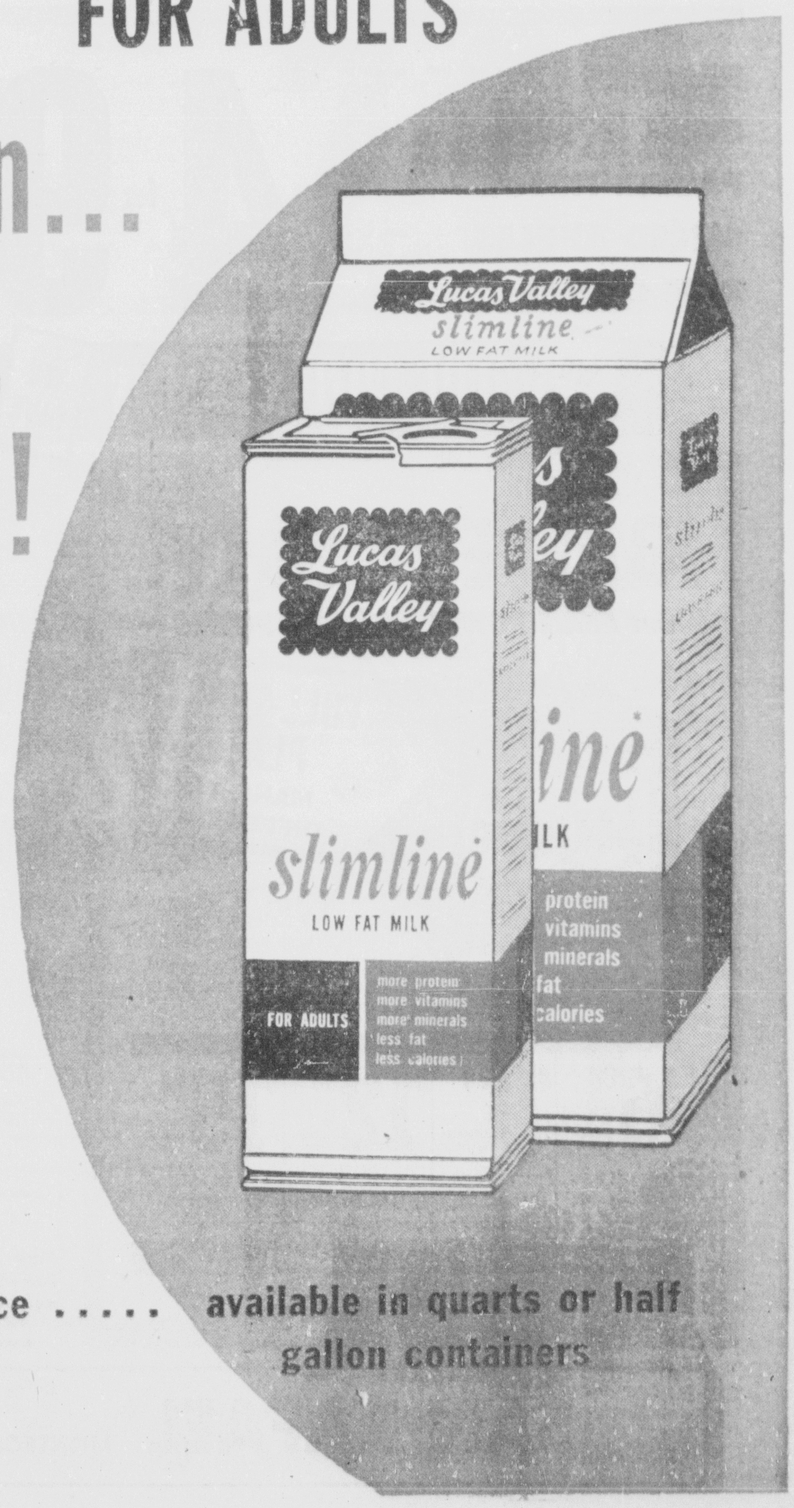

A box lunch special is planned for the Couples Get Together of the Welcome Wagon Club on May 26 at 8 p.m., at the home of Mrs. Patrick Girvin, 9 Navajo Lane, Corte Madera.

All box luncheons will be auctioned off at the 9 o'clock dinner hour. Dancing and bridge will follow. Mrs. Lloyd Hoff and Mrs. Dennis Carey are in charge of tickets.

Tax On Advertising Would Curb Your Right To Know

It is difficult for an organization intimately involved, to explain the importance of a proposed action without being accused of being unduly biased. We can't help but speak out, however, when something affecting the affairs of all Marinites is threatened.

Pending now before Congress are three bills, all of which have sections which would be detrimental to the publishing business. None of the three would affect the Independent-Journal's revenues or expenses in any major way. But together, they form a potential threat for the future which can not be ignored.

Two of them deal with advertising; the third with circulation.

It is indeed easy to turn away from a blasting TV or radio commercial or read an idiotic newspaper or magazine ad and declare, "There ought to be a law!"

But should there?

Some of President Kennedy's economic advisors think so. They have proposed taxation as "a curb" on advertising. If the grocery store advertising or the downtown merchant's ads were taxed, who do you think would have to pay more?

Thus far the President has almost stuck by his campaign statement that he did not advocate a tax on advertising unless someone could give him some better reasons for it. But he has proposed in his federal highway program, that a tax be levied to limit outdoor advertising.

The two bills dealing with advertising this session could well open the door to future direct advertising taxes. The first, in the omnibus tax bill, would not allow a businessman to claim as a business expense an advertisement to explain to the public pending legislation in which he has an interest or which could put him out of business.

The second, in the defense appropriation bill, is more limited in application. It would prohibit charging as a business expense in a defense contract, any advertising except for personnel recruitment, procurement of scarce items and disposal of surplus materials. In the original bill, these three exceptions were not even allowed, but they have been amended in.

The third bill affecting publications is the postal rate bill. It would increase post rates on second and third class mail so drastically that many publications, including some of the nation's largest magazines, would be forced out of business.

As we said, none of the three affect us directly to any extent. We have few mail subscribers, practically no defense industry advertising, only a very limited amount of institutional advertising directed at legislation.

But we can't ignore the obvious trend. As the government makes it economically more difficult to advertise, it is censoring the public's right to know just as surely as surpressing the news.

We can't ignore it, and we hope you can't either. All three bills are before Senate committees. Your Senators, Thomas Kuchel and Clair Engle, would be glad to hear your opinion on them.

THREE MINUTES A DAY

By JAMES KELLER

FLICK OF A BUTTON COSTS $8,000

All a bulldozer in Wilmington, Del., needed was a good start by four youngsters at play and the machine did the rest itself.

After one of the lads accidentally started the vehicle, it jumped into reverse and:

Knocked down two buildings;

Went through a yard, tearing out a kitchen wall;

Toppled a tree, a hedge and a fence;

Hit three parked cars.

Finally, a motorist hopped into the powerful machine and turned off the switch.

The boys were unhurt, but property damage was estimated by police at about $8,000.

While youngsters have some excuse for setting in motion forces they cannot control, the same cannot be said for the rest of us.

Our feelings may at times threaten to erupt into actions that may be harmful to ourselves or others. But God will strengthen us to resist these urges and to direct them into constructive channels.

"He who has begun a good work in you will bring it to perfection until the day of Christ Jesus." (Philippians 1:6)

Make me prudent and considerate, O heavenly Father, in all I think, say and do.

Here's A Tip On How Not To Act When American Visits In Japan

By KENNETH ISHII
(For Hal Boyle)

TOKYO (AP)—You've just arrived in Tokyo, you're getting out of a cab in front of your hotel, and what don't you do?

DON'T tip!

You've just finished a wonderful meal. The service has been superb, and you wish to show your appreciation beyond the 10 per cent service charge at the foot of the bill.

By all means do with words or smiles — but NOT with cash.

Of course, it's too late to be saying all this. The damage has already been done. Americans—and other visitors—have done an excellent job popularizing the tipping habit in Japan. And the Japanese have shown themselves clever learners.

In the countryside, however, because of the infrequency of foreign visitors, comprehension seems to have been slower.

One American tells the story of how, when he offered a tip to the country hotel maid, she looked at him as though he'd taken leave of his senses. She energetically pointed to his bill which clearly listed a 10 per cent service charge in view of which, she made him understand, she couldn't possibly accept a tip.

He tried to press the money into her hand.

No! No! No!

He finally gave up.

It wasn't so many years ago that the mere offer of a tip in a Tokyo hotel, restaurant or night club brought forth expressions of profound gratitude and deep bows. The appreciation was sincere.

AS FOREIGNER after foreigner supplied tip after tip, the expressions of gratitude and bows became more and more perfunctory.

Now, in establishments frequented by Westerners in this city, the tip is taken almost for granted.

Tipping in Japan requires some knowledge of the Japanese psychology.

WHEN ONE offers a gift to a friend, say in return for a favor, Japanese politeness requires the friend to refuse. The giver repeats the offer. It is refused again, though perhaps with less insistence than the first time. The process is repeated until the friend feels he has satisfied the requirements of politeness. Then he accepts, which is what he intended to do in the first place.

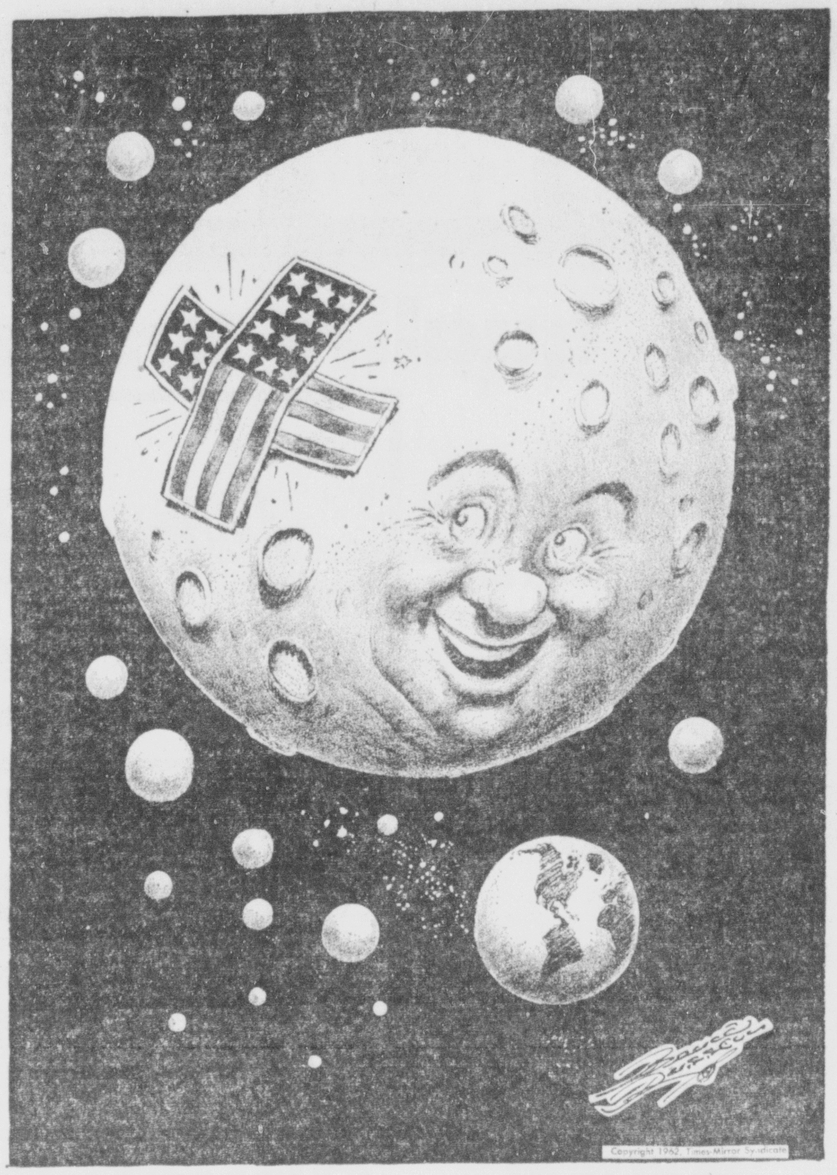

The giver knows this, and it would be the height of discourtesy for him to break off the little act.

WHAT OUR READERS SAY

Principal Right In Banning Debate

EDITOR,
Independent-Journal:

I have sent the following letter:

Donald Krebs, Principal
Redwood High School
Larkspur

I was quite surprised to read the criticism in the San Rafael Independent-Journal of your recent action in regard to the proposed discussion by Vincent Hallinan and Mr. Ward before the student body.

I want to compliment you on your sound thinking in cancelling this discussion. Obviously, the purpose of education is instruction rather than trying to confuse the young minds—and the Devil can quote scriptures, so obviously both of these individuals could have made a good case for their own cause with resultant poor effect on the students.

I was disappointed in the Independent-Journal's attitude on your stand since I usually have been in accordance with their editorial thinking. I am sending a copy of this letter to them indicating my feelings.

No Property Rights No Human Rights

EDITOR,
Independent-Journal:

The whole county and especially the signers of that recall petition really should have the privilege of hearing the "wisdom" of Peter Behr at the supervisors' meeting last Wednesday (issue of the Housing ordinance).

Said Mr. Behr, "If it comes to a choice between property rights and human rights, I'll choose human rights anytime."

What Peter Behr, for all his legal experience, seems not to have discovered is, that without property rights there can be NO human rights. Man, fortunately or unfortunately, as one may view it, is a creature, who cannot exist without clothing, shelter, and food, i.e., the use of real and personal property. He must either produce and OWN such or he must give up his human rights and exist as the chattel (property or slave) of the state.

Is it really state socialism, that Mr. Behr wishes to espouse?

Should Save Old Phone Book

EDITOR,
Independent-Journal:

James Oswalt is wasting righteous indignation in his criticism of Mrs. Bonnie Burgan that he could put to better use as he so willingly advised her.

Our phone service is excellent because we support the phone company, therefore we should be allowed a voice in this.

We can use the same system as the motor vehicle department. The prefixes needn't be the prefix of a word, XT 8-1322 would be much easier to remember than 768-1322, just as an example.

Calling long distance is really a problem.

Many women have saved last year's phone books. I wish I had.

Supervisors Voted Public Interest

EDITOR,
Independent-Journal:

I wish to add my congratulations to those of many others to the Board of Supervisors of Marin County for their recent excellent demonstration of voting in the interests of "the public" on the housing discrimination law.

They are to be commended.

Kennedy's Success With Congress Rests On Fate Of Three Bills

WASHINGTON — Congress is at its mid-point. Much of the time this has looked like a do-little Congress. The appearance is deceptive. More has been happening than meets the eye. Important legislation will be forthcoming in the next two-and-a-half months. The outlook is as follows:

Although President Kennedy will get only a small proportion of what he has asked, he will get a large part of what he expects.

IT WILL BE a significant legislative record. From the standpoint of the administration, in the fall elections it will be a politically valuable record.

From the standpoint of its ability to lead and persuade Congress, the Kennedy administration will stand or fall this year on the fate of the President's "Big Three" bills: the trade expansion program, medical care for the aged, and tax reform. The prospects for all three are favorable.

TRADE BILL—The objective is to give the President authority to negotiate reciprocal trade arrangements so that the U. S. will be in a better position to compete in the European Common Market.

Unexpectedly wide support and little opposition have developed. Organized protectionist sentiment has not been strongly apparent. Most businessmen and most Congressmen appear convinced that a sound working relationship with the Common Market is desirable.

HEALTH BILL — The objective is to provide financial assistance through Social Security to help elderly citizens get medical care. This looked wishful last January when 15 of the 25-man House Ways and Means Committee were opposed.

But the White House has been winning come Democratic and Republican recruits. There is now a better than even chance that it will pass, perhaps along the lines of a measure fashioned by Gov. Nelson Rockefeller of New York.

This would remove the element of compulsion; that is, if the recipient did not wish medical care, he could take the money instead. This would be money contributed through a ¼ of 1 per cent increase in the Social Security tax.

TAX BILL—The objective is to provide a tax incentive to enable American industry to carry out a modernization of plant and equipment in order to compete more effectively in world markets anad thus provide more jobs.

The proposal by the Kennedy administration is a 7 per cent tax credit to business for this kind of capital investment. Most businessmen would prefer a different method—a liberalized depreciation allowance—but many conservatives in Congress will support the administration bill if no better alternative is attainable.

If the Republicans are alert, they can earn and claim a fair part of the credit for much of this legislation. They re-shaped the Manpower Retraining Act and helped pass it. Republican votes will be essential to pass the trade expansion bill and the tax bill.

I-J REPORTER'S NOTEBOOK

By RANDALL GOULD

One Place Like Marin; Another Unlike Marin; Third Like Itself

Musings of a Motor-Minded Marinite:

As to places recently seen in transit—

Least like Marin County is Scottsdale, Ariz.

Most like Marin County is Santa Fe, N. M.

These propositions are laid down on a basis not only of current observation, but of some past experience.

Since there are few places in the United States worth more than cursory inspection, infrequently repeated (if one strays east of the Rocky Mountains) those fond of fast touring are compelled to visit fairly frequently within an area bounded roughly by El Paso, Glacier National Park and the Pacific Ocean.

OCCASIONALLY IT is of course requisite to check up on New Orleans, Key West, and even (if one has an especially strong stomach) New York City.

Spring fever smote the Goulds hard and suddenly this season. It was necessary to restrict voyagings, in the time available, to the general southwest area though not excluding such way stations as 29 Palms, "the poor man's Palm Springs," and Saguache, Colo.

Now as to the sweeping generalization at the start. Scottsdale with its rather ostentatious flaunting of phony westernization is still not without charm.

PERHAPS IN ITS growing unlikeness to Marin County there is warning for Marin County.

Sausalito's Sally Stanford compares her Valhalla Restaurant to the Lulu Belle in Scottsdale. What has happened to the Lulu Belle is that the blamed place has grown more crowded and the food has drifted down-hill.

They still have those toothsome big bowls of popcorn on the bar, right enough. They still put the girls into Gay 90s costumes, sometimes employing a shoe-horn.

But they've moved the tables so close together you can't see the garter on the cigarette girl's leg. And they overcooked our meat.

Maybe the temperature had something to do with that—101 degrees the day we got in.

Scottsdale was always on the verge of trouble and my judgment is that now they've gone over the edge. Too many people, too old, too well heeled.

The shops are mostly for women. And the women dress for each other, not for the men. Not an ounce of honest sex in the whole area. But a lot of worry about the Reds. Everybody wants to hang onto his pelf and by reading the local paper he clearly discerns how Communistic everybody has become in Washington.

Yet this is worth noting: Nobody is really scared. They just like to get a tepid thrill by acting alarmed.

ONE REAL TOUCH of Marin in Scottsdale — the late Frank Lloyd Wright's Taliesin West. An introduction by Marin civic center architect Aaron Green got us a private look-see, the pause that refreshed.

Otherwise as to Scottsdale, take it away. It's getting high.

Santa Fe like Marin is stubborn in staying about the same. It can be a little precious in some areas, but by and large it still adds up fine.

The country is nice, the air is high-altitude brisk, there are things to see and places to drive. The sense of history and antiquity is undisturbed.

I like everything from the rock formations to the pinon pine and juniper; from the Peking-like crooked lanes of the city to the sharp-cut ridges of the Sangre de Cristos; from the Indian pueblos to Frenchy's restaurant in Taos, with superb food and wine cellar. (But they'll throw you out for ordering "well done" and they won't let you in if, female, you arrive in slacks.)

PEOPLE ARE candid and natural. Conversation flourishes. A lot of the population can write, draw, or both.

Best summary of Santa Fe life was reported once before in this column, but a repeat is justified. In case, they say, Old Joe decided to paint himself blue nobody would scream, protest or go to court. Sole result would be this comment:

"Well, I see Old Joe has painted himself blue."

TRY AND STOP ME

BENNETT CERF

Mrs. Green, invited to a Broadway musical, hired a new baby-sitter to take care of her obstreperous brood. "I don't care how much they protest," Mrs. Green told the girl. "I want every last one of them in bed by ten o'clock."

When she came home, humming the hit song from the show she had seen, she asked the baby-sitter, "Well, did you get them all tucked in by ten?"

"I did," reported the girl proudly, "but that oldest boy, the red-headed one, put up an awful holler first."

"The red-headed one?" echoed Mrs. Green. "THAT'S MY HUSBAND!"

John Drury tells of a south Georgian boy who was taken to Chicago one January and saw snow for the first time. He stared in wonder from his hotel room window at the snow-blanketed street below and cried to his mother, "Look ma! Grits all over!"

"Recession in Texas?" boomed an indignant San Antonian. "We don't have recessions in this state, son. Though I will admit that right now our boom is worse than it's been in 10 years."

Use Permit Sought For 72-Bed Convalescent Home

A use permit for establishment of a 72-bed convalescent home behind the medical center now under construction at 1123-1125 Sir Francis Drake Boulevard in Kentfield is sought from the Marin County Planning Commission by E. P. Aureguy and H. G. MacKenzie.

The petition will be heard as ninth item on the commission's agenda for May 7.

Rezoning of a 16,950-square foot parcel south of Tiburon Boulevard and 300 feet east from South Knoll Road from R-A- B-2 to an administrative and professional classification is asked by Harry C. Trayer and will be Item 6.

Public hearing on a tentative map of a fourth Bel Marin Keys unit will be thirteenth item. M. W. Finley Co. is subdivider. The area is eight acres located north of Hamilton Air Force Base on the former Marin Meadows Ranch.

Division into 25 lots, each of 7,500-square foot minimum dimension, is proposed, all to be used for single-family dwellings. The area is in an A-2 district east of the third Bel Marin Keys unit.

Application by Drakes Beach Estates, Inc., for a use permit to allow construction of 24 apartments on Limantour Drive in Drakes Beach Estates on Point Reyes Peninsula will be heard as seventh agenda items.

The Bel-Air Nursery School application for establishment of its school on lot 87 of Bel Aire Estates at 255 Karen Way, Tiburon Peninsula, will be on the agenda as Item 8.

Calistoga in Napa County was developed as a resort in 1859 by Samuel Brannan, early-day San Franciscan.

Dagger Innocent Plea

George A. Iakovkin, 34, of San Rafael has pleaded innocent in Marin Superior Court to concealing a dagger in his waistband. Judge Thomas F. Keating set June 22 for his trial.

WINNING BRIDGE

By ALFRED SHEINWOLD

Just Like The Game Of Life, Use Diamonds To Win Hearts

"If you want to do the right thing with my heart," the sweet young thing was saying in the elevator to the intense young man, "you should have put a small diamond on the table."

Nobody lifted an eyebrow. It was the elevator of New York's famous Regency Club, and bridge players know that diamonds are the key to many a heart.

Opening lead — ♠ Q

The intense young man had been declarer at four hearts. He won the first trick with dummy's king of spades, led a heart to the ace and then slapped down the king of hearts.

BAD BREAK: It was the bad trump break that made the young man so intense. He had to give up two trumps, one spade and one diamond. Down one.

The sweet young thing wanted her partner to lead a small diamond before drawing a second round of trumps. He would find out whether he was going to lose one or two diamond tricks.

South would actually find out that he was going to lose only one diamond trick. Hence he could afford to lose one trump trick and could play safe.

SAFETY PLAY: The safety play is to get back with the jack of clubs and lead a low trump toward dummy. This guards against Q-10-x-x of trumps on either side.

If West has four trumps, he can take the queen, but dummy's jack and South's king easily draw the rest of the trumps. If East has four trumps (the actual case), he can capture dummy's jack, but declarer later leads the low trump from dummy to finesse through East's ten.

South's actual play of leading out both the ace and king of trumps would be correct if he first discovered that he would have to lose two diamond tricks. In this case South cannot afford to lose a trump trick and should hope to pick up the doubleton queen.

ALMANAC

Today is Wednesday, May 2, the 122nd day of the year with 243 to follow in 1962.

The moon is approaching its new phase.

The morning stars are Jupiter and Saturn.

The evening stars are Mercury and Venus.

On this day in history:

In 1863, Gen. Thomas (Stonewall) Jackson was shot down by his own Confederate soldiers outside of Chancellorville, Va.

In 1865,, President Andrew

In 1945, the Allies announced the unconditional surrender of Nazi troops in Italy and in southern and western Austria.

A thought for today: St. Thomas Aquinas said: "Three things are necessary for the salvation of man: To know what he ought to believe; to know what he ought to desire; and to know what he ought to do."

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

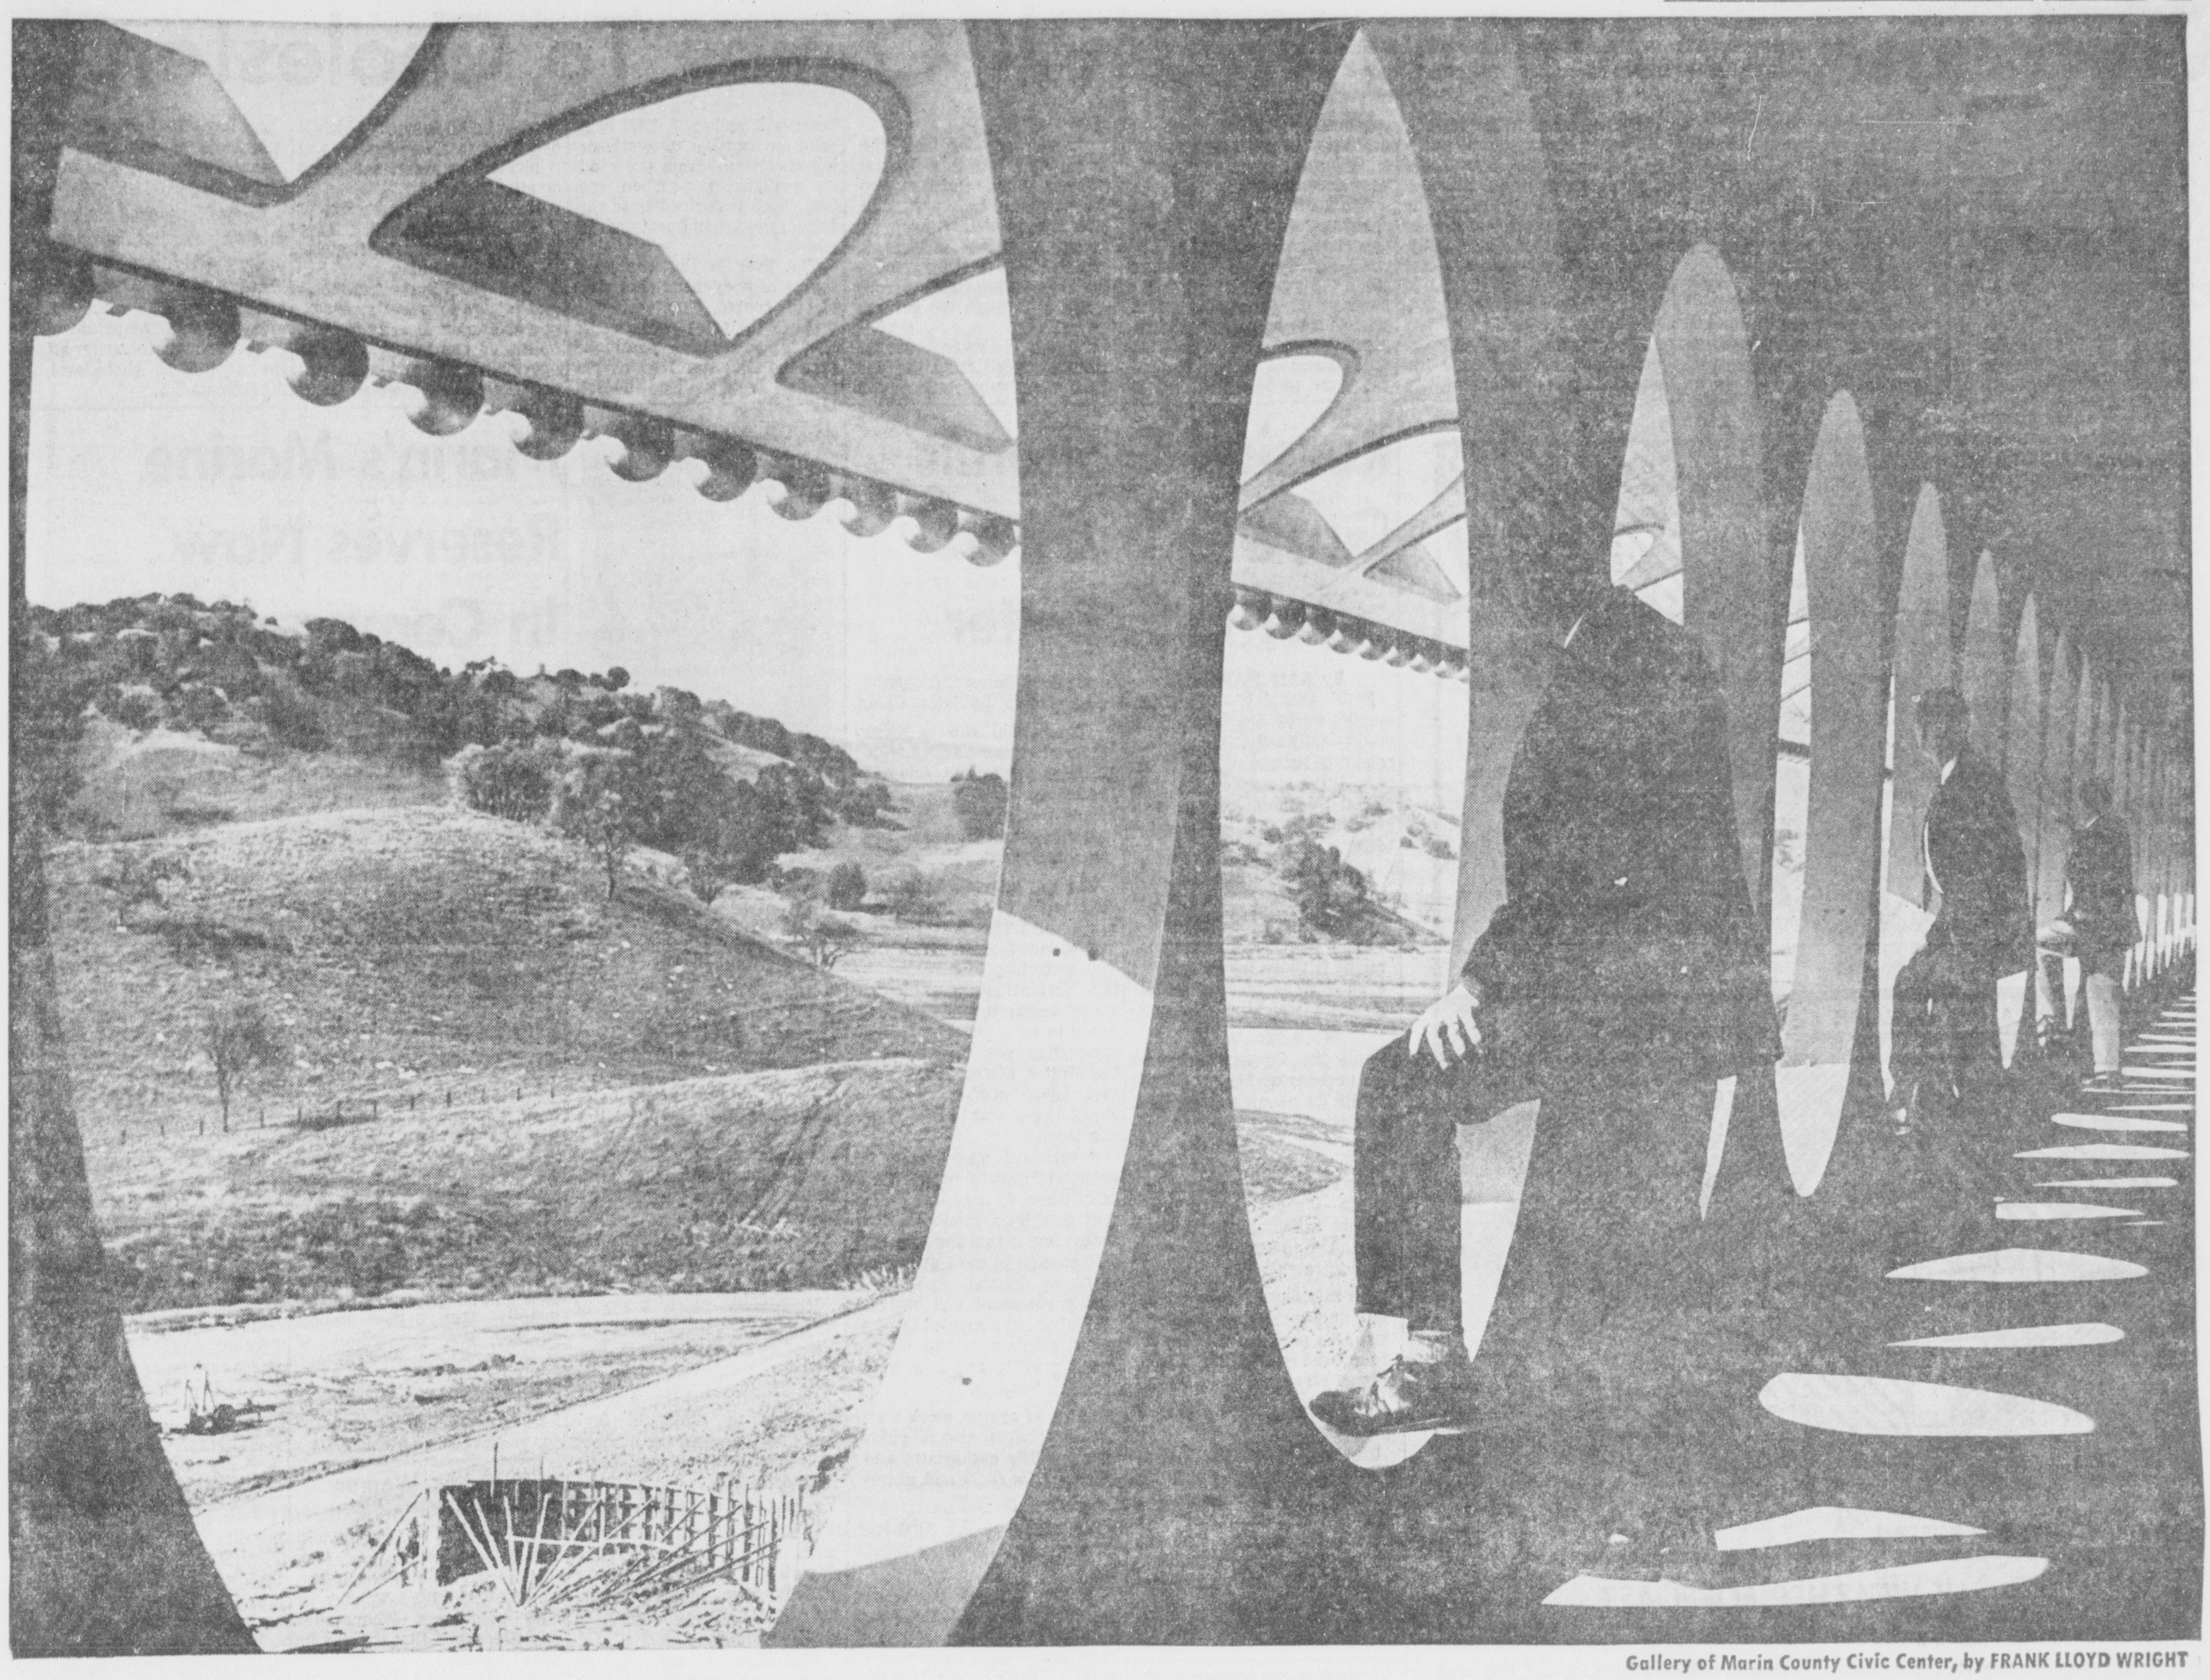

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

Gallery of Marin County Civic Center, by FRANK LLOYD WRIGHT

Shape of things already here ★ *A report on the growth of the county*

Designed by Frank Lloyd Wright, the new Marin County courthouse is more than a building, it's an event. As an architectural landmark it promises to become an American Mecca for all who admire bold, imaginative work on a master scale. Thrusting into the future, it is indeed a new symbol of Marin. For the county, like its courthouse, is adding exciting new dimensions as it enters a new era of expansion. Here's a "view from the top" that gives you some idea of Marin's growth—and future.

☆ ☆ ☆

Marin is becoming a green-leaved city of towns and suburban areas. Population is one of our biggest "industries," up 14,489 or 9.9% since the 1960 Census, for a total of 161,289 people. This makes Marin the third fastest-growing of the 9 Bay Area counties . . . on its way to metropolitan status.

With new people come new businesses. And Marin, gaining 28.0% in just 5 years, out-did all other Bay Area counties except Santa Clara, adding 464 new firms. Adding jobs, too, and a broader base of industry.

Income? It's our "leading product" in Marin. Average taxable return, at $9,781, is highest of any county in California—which helps explain our swimming pools, fine homes, our average of 1.35 cars per family . . . our $10,000,000 worth of boats.

Real estate is the real thing in this county. Look at the figures: real estate loans for 1961, up 33.5% over 1960—new homes, new tracts, waterside and hillside developments everywhere, some with a boat in the backyard, some with golf in the front. What a year! Multiple-listing sales, at $39,697,716, were 22.1% ahead of 1960. And despite the recessive first quarter, building permits climbed 14.7% in dollar value ahead of the prior year.

Telephones added their voice to progress, too . . . with 5,373 new ones installed in 1961, for a total of 76,078.

Around you is the stir and yeast of change. More Marin breadwinners now work in Marin County than in San Francisco—part of the new pattern. New restaurants add flavor to living. New money keeps coming in from all over the U.S., helping develop apartments, cooperatives, new tracts, new industry, marinas and golf courses. It's even expected we'll have two new industrial parks this spring.

The future then, is being created today. You can see it and feel it. You live in a community that's moving ideas into action . . . turning new energies, new business, new life, into the unlimited dimension of growth.

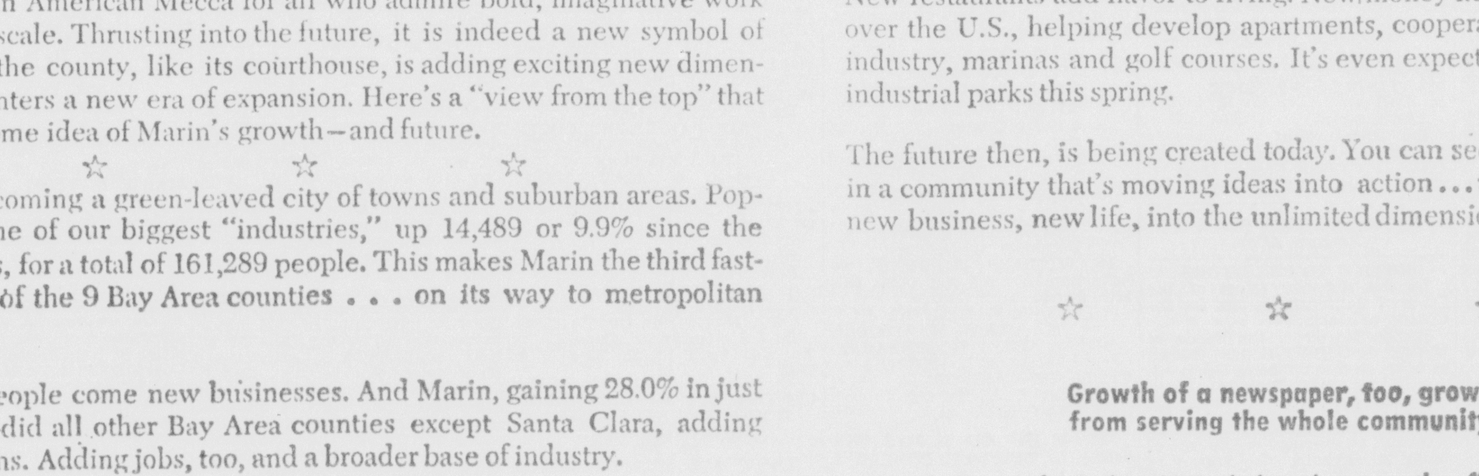

☆ ☆ ☆

Growth of a newspaper, too, grows from serving the whole community

The Independent-Journal has become the first line of communication for the entire county—bought and read by 2 out of 3 households in Marin. We've added new features, greater coverage of world and local events, new ideas; taken the lead, nationally, in new printing advances. Results readers have given us readership. This alone explains our own phenomenal growth . . . explains why 70,000 people read the I-J every evening . . . why advertising is so responsive . . . and why the most quoted phrase in Marin County is this: "I see by tonight's I-J . . ."

Chickens Lay An Egg When It Comes To Cholesterol

By DELOS SMITH

NEW YORK (UPI) — Compare a penguin egg with a chicken egg, said a medical scientist. They contain the same amount of cholesterol. But if you eat penguin egg instead of the chicken egg it will elevate your blood cholesterol level much less.

However, Prof. Arthur Grollman was not advocating a switch from chicken eggs to penguin eggs on the American breakfast table. He was using this as an example of how little, comparatively speaking, medical science knows about what the human body does with cholesterol.

Addressing medical men in general, Dr. Grollman said:

"We really should avoid giving patients the impression that cholesterol alone is the answer to the problem of atherosclerosis. Clearly it its not. We do not need to encourage the prevailing air of panic about cholesterol."

Certainly medical men should urge people to avoid excesses of fats in their daily meals, he said. But people should be urged to avoid excesses of anything else. And certainly that fat intake should be restricted for people whose blood cholesterol levels are high.

Nevertheless, "all of the facts about cholesterol and atherosclerosis are not in yet," he continued. "Until they are,, we probably can help our patients most just by encouraging ordinary discretion."

Grollman is professor and chairman of the department of experimental medicine at University of Texas Southwestern Medical School and author of a number of standard medical science text books. In the technical journal, Consultant, he was distressed that cholesterol has come to be considered an unallowed evil.

That's very far from the truth. The fact is it is vital to normal body function, and in many ways. It occurs in every body cell. Among its many important services it makes the body waterproof—by preventing water from seeping through the surface of cells.

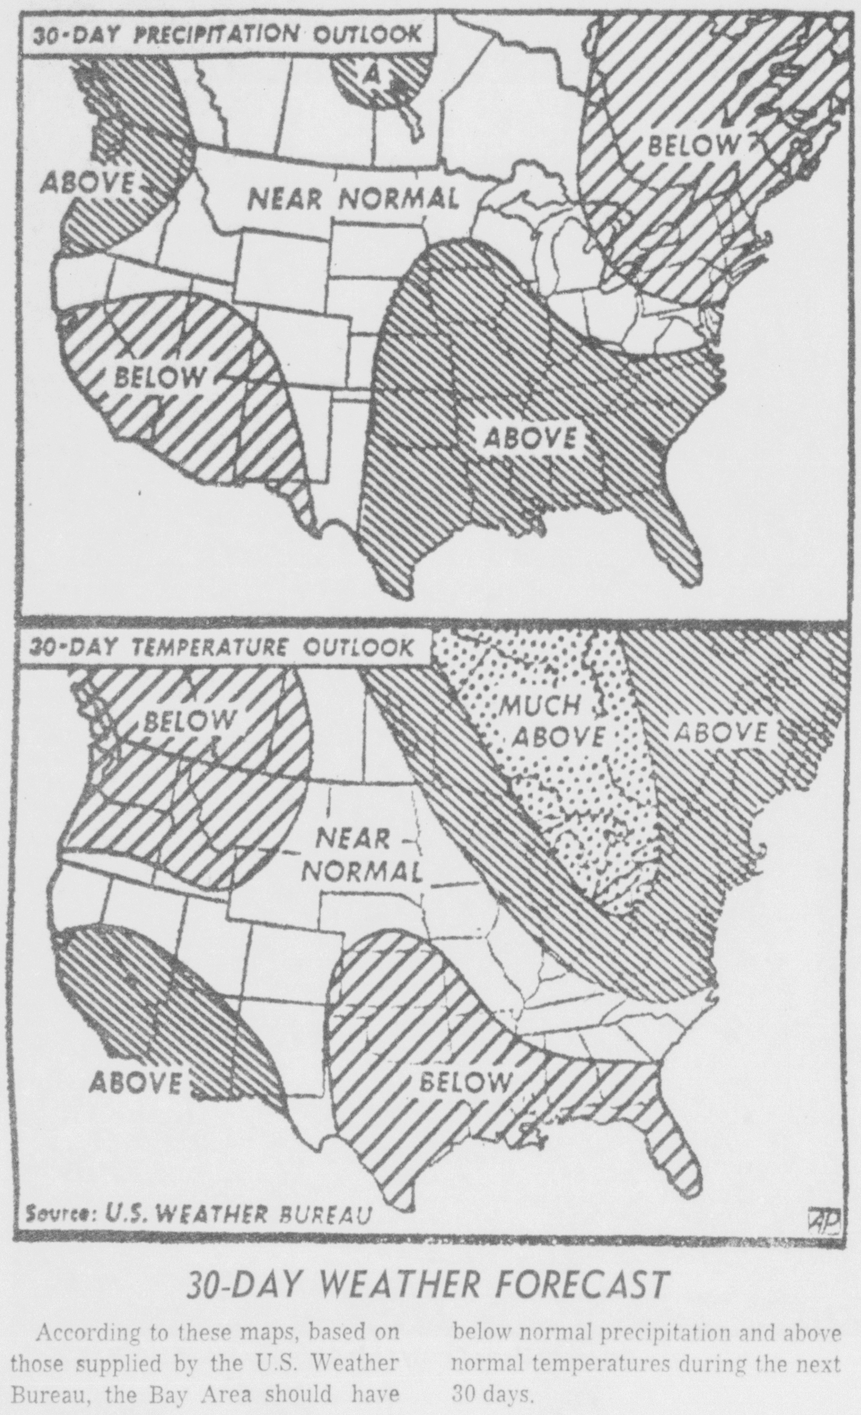

Even if cholesterol was entirely excluded from the diet, the human body would have it because it makes it. "All body cells are capable of synthesizing cholesterol from the readily available two-carbon acetate which is derived from carbohydrate, fat and protein," he added.

The liver is the important source of body-made cholesterol, of course, but even the walls of the arteries can make it. This means, he continued that the cholesterol which circulates in the blood doesn't have to be cholesterol which is deposited in artery-linings and is blamed for artery-hardening or atherosclerosis.

He was critical of many of the experiments which have indicated dietary cholesterol in artery-hardening.

For one thing, experimental results in animals cannot be translated directly to people. For another, if you experiment with varying levels of cholesterol in human diets you have to hold all other elements of the diets constant. In the main that hasn't been done.

Controlling blood cholesterol levels by varying the intake of dietary cholesterol "is not that simple," he said. "Cholesterol intake alone does not determine the level of serum cholesterol or necessarily affect the deposit of cholesterol in atheromata."

Russian Economic Growth Is Good —But U.S. Better

By SAM DAWSON

NEW YORK (AP)—The Communist world has paraded its might—militarily, that is — to celebrate its way of life. It put very little stress on its nonmilitary economic status, perhaps thinking the less said the better.

The United States could parade as dazzling a display of military might, but doesn't.

And its greater economic might is there for all to see, even if many seem to forget it while watching the missiles speed by.

And the Communist world also parades on May Day what it calls its people's dedication. To Western eyes this may look more like fanaticism. For Americans don't talk much about dedication to their way of life—it's very much there, though, when the chips are down. And this means it's been there all along.

In this day of space races and nuclear weapon competition, it's perhaps too easy to forget the importance of economic strength.

The United States has it—in spades.

The fast economic growth rate of the Soviet Union in the last few years looks impressive because the start was so close to zero. But compare the two economies outside the military segment, and the United States wins hands down.

The real growth, rather than the percentage of growth, finds the United States much stronger today than the Soviet Union.

The actual gap is wider than when the USSR started its plan to catch up some 10 years ago. We have grown more, put on more economic muscle, even if the rate isn't as spectacular.

The gap between total industrial output of the United States and the Soviet Union has widened, in America's favor, according to a survey by the National Bureau of Economic Research. One reason appears to be a faster growth in production per man hour in the United States. It finds Soviet labor productivity only about 20 per cent of the American level.

Americans' appreciation of economic growth in our capitalistic society may be clouded just now by a number of debates. One is that the rate isn't fast enough to pare unemployment as desired. Another is that government and business and labor have seemed to be at sword points over how best to speed growth, and how to divide the benefits.

And, of course, stock market weakness always chills the public's enthusiasm and fires up its fears and uncertainties.

But much of the American economy is at or near record highs.

And Americans themselves are doing very well. Total personal income is at a record high. Retail sales have set records—in spite of the fact that total savings have, too.

Federal Reserve figures show that personal assets earning interest now top 500 billion dollars for the first time.

President Pro tempore of the Senate David Rice Atchison became president Sunday, March 4, 1849, and served until Zachary Taylor took the oath of office the next day.

Circulation Aide Moves To New Job

Mike Klapperich, who joined the Independent-Journal circulation department as a newspaperboy in 1951, "graduated" this week to assistant to the personnel manager of Moore Business Forms in Emeryville.

Klapperich, 21, is a son of Mr. and Mrs. Jack W. Klapperich of 201 Center Street, San Rafael.

He joined the I-J as a newspaperboy in 1951. In four years, he increased the number of subscribers on his route from 63 to 108.

He returned to the mailroom in May, 1959. The past two years, he has been a circulation district manager, in charge of about 50 youngsters launching their business careers as newspaperboys.

Succeeding Klapperich as manager of the district, which includes all of San Rafael north of Fourth Street, is Gary Ledson, son of Mr. and Mrs. Winslow Ledson of 229 Forbes Avenue.

Marin's Marine Reserves Now In Company M

Marin's Marine reserves have been realigned under this week's nationwide reorganization of the Marine Corps, Capt. Ronald E. Tatum announced today.

Their status will be the same: They'll be members of a unit on inactive duty. But the name and alignment have changed.

The outfit formerly known as the 14th Rifle Company now is redesignated as Company M, Third Battalion, 23rd Marines, Fourth Marine Division.

Company M will be joined by other Marine reserve units in the general area to comprise the new reserve battalion, Tatum said.

Elements of the Fourth Marine Division, along with its supporting counterpart, the Fourth Marine Aircraft Wing, formed by air reservists, has been organized primarily to train as an air-ground team capable of service on short notice in event of general mobilization.

All future training of the units affected by the reorganization plan will be directed with possibility of mobilization in mind, Tatum said.

The Fourth Marine Division was one of six divisions employed by the Marines in World War II. It set something of a record in making four beachheads—all bitterly opposed—in 13 months.

Activated in August, 1943, the division got its first taste of combat in the Marshall Islands campaign in January and February, 1944, overcoming fierce resistance to secure vital Roi-Namur Islands.

Four Nominated For Welfare Unit

Four Marin residents have been nominated to positions with the Bay Area Welfare Planning Federation, which will hold election of officers tomorrow noon in the Hall of Flowers, Golden Gate Park, San Francisco.

Mrs. J. V. Hawley of Mill Valley has been nominated for vice president. Mrs. Vera Schultz, Mill Valley; Robert Prather, San Geronimo, and Mrs. Joel Nemschoff, Kantfield, as directors.

Robert J. Koshland of Hillsborough has been nominated for re-election as president.

Mill Valley Woman Says Dog Killed Cat

Mrs. Archer B. Forsyth told Mill Valley police yesterday that her white Persian cat, Angel, was killed Monday by her neighbor's Weimaraner dog. She asked that the dog be kept leashed.

She said the dog, owned by Walter F. Gull of 34 Sunrise Avenue, killed her cat at about 5:30 p.m. while the cat was on the Forsyth property at 16 Sunrise.

Recorder Playing Evening Slated

An evening of recorder playing has been scheduled next Tuesday in Room 67 of the Art Building, College of Marin, instructor Leo E. Christiansen announced today.

Recorder players as individuals or in groups are invited, he said. The session will run from 7:30 to 10 p.m.

Information about the Marin County chapter of the American Recorder Society will be given.

OFFICIAL NOTICE OF SALE $356,000.00 MARINWOOD COMMUNITY SERVICES DISTRICT 1962 BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Directors of Marinwood Community Services District of Marin County, State of California, at the office of the District at Mary Silveira School, 375 Blackstone Drive, San Rafael, California, on

THURSDAY, MAY 17, 1962

at the hour of 8:00 o'clock p.m. for the purchase of $356,000.00 principal amount of bonds designated "Marinwood Community Services District 1962 Bonds," more particularly described below:

ISSUE: $356,000.00 consisting of 356 bonds, numbered 1 to 356, both inclusive, of the denomination of $1,000.00 each.

DATE: The bonds are dated June 1, 1962.

MATURITIES: The bonds hereby offered for sale mature as follows:

$5,000.00 principal amount on June 1st in each of the years 1963 to 1965;

$10,000.00 principal amount on June 1st in each of the years 1966 to 1972;

$15,000.00 principal amount on June 1st in each of the years 1973 to 1979;

$20,000.00 principal amount on June 1st in each of the years 1980 to 1986;

$26,000.00 principal amount on June 1, 1987.

INTEREST RATE: Maximum six percent (6%) per annum, payable annually the first year on June 1, 1963, and semi-annually thereafter on June 1 and December 1 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates, irrespective of the maturities of said bonds, except that no bond may bear more than one rate of interest or more than one coupon to evidence any interest payment. The interest rate stated in the bid must be in a multiple of one-eighth or one-twentieth of one percent per annum, payable as aforesaid.

PAYMENT: Both principal and interest of said bonds are payable in lawful money of the United States of America at the San Francisco Main Office of Bank of America National Trust and Savings Association, in the City and County of San Francisco, State of California, or at the option of the holder at the respective offices of the paying agents of said District in the City of New York, State of New York, or in the City of Chicago, State of Illinois.

EXECUTION AND REGISTRATION: Coupon bonds will be issued by the District. Said bonds will be executed by the manual signature of at least one official authorized to execute the bonds. Such bonds are registrable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds are authorized by vote of more than two-thirds of the voters of said District, voting at a special election for the purpose of authorizing bonds for the acquisition, construction and completion of a public fire protection and recreational facility for the benefit of said District.

SECURITY: Said bonds are general obligations of said District and the Board of Supervisors of Marin County has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District subject to taxation for district purposes by said County, without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal income tax laws, either by the terms of such laws or by ruling of a Federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any Federal court, the successful bidder may, at his option, prior to the tender of said bonds by the District, be relieved of his obligation under the contract to purchase the bonds and, in such case, the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of Messrs. Orrick, Dahlquist, Herrington & Sutcliffe, Bond Counsel of San Francisco, California, approving the validity of said bonds, will be furnished to the successful bidder without charge. A copy of the legal opinion, certified by the official in whose office the original is filed, will be printed on each bond without charge to the successful bidder.

TERMS OF SALE

HIGHEST BID: The bonds will be awarded to the highest bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the District. The lowest net interest cost shall be computed between the dates aforesaid on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the District.

RIGHT OF REJECTION: The Board of Directors of the District reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Directors of the District will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for the receipt of proposals, unless such time of award is waived by the successful bidder.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of Marin County, San Rafael, California, as soon as the bonds can be prepared, which it is estimated will be within 30 days from the date of sale thereof, but not prior to the date of the bonds.

RIGHT OF CANCELLATION: The successful bidder shall have the right at his option to cancel the contract of purchase if the District shall fail to tender the bonds for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: Each bid must be for not less than all of the bonds hereby offered for sale and for not less than the par value thereof and accrued interest to date of delivery. Each bid, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Directors of Marinwood Community Services District and endorsed "Proposal for Marinwood Community Services District 1962 Bonds," and must be mailed to said Board at 375 Blackstone Drive, San Rafael, California, in time to be received by said Board prior to 8:00 o'clock p. m. on Thursday, May 17, 1962, or must be delivered to said Board at said address by 8:00 o'clock p. m. on said date.

BID CHECK: With each bid must be submitted a certified check or cashier's check for $1,000.00 drawn on a bank or trust company transacting business in the State of California, payable to the order of Marinwood Community Services District, to secure the District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition, bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the District by mail upon the award of the bonds. No interest will be paid upon the deposit made by the successful bidder.

Information relative to the financial condition of said District will be furnished to any bidder upon request.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of the District, or the title of the officers thereof to their respective offices, and the District will furnish to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

Dated: April 19, 1962.

SO IT IS BRAND NEW? SO WHAT?

Who wants a new house anyhow? Now when termites are so popular and you can fix up any old shack with a couple of improvement loans. How do you cook in one of those jazzed up elect. kitchens? What do you means 3 rooms to sleep in and two for bathing, central heat, fireplace, deck and those conspicuous glass doors? Yea, I saw the carpet and the drapes, too. But who wants to live in such a fine place. It makes you soft.

BUT FOR THE ONES WHO DON'T MIND $2500 DOWN . . . THAT'S ALL . . . AND IT'S YOURS.

MARRIED? NOT MARRIED!

I don't care. I just want you to be the first to live here. I was just very well built, two cute bedrooms, and oddball fireplace, a long deck, good flooring, and a dandy place for the "gastronome de la femme." Come up and see me. 33 Vinyard, San Rafael. You can move in any time . . . for $17,900 on GOOD terms.

BARGAIN DAY

'56 Buick $795
Here's a beautiful 4-Dr. Century Hardtop that we sold new to local couple now touring Europe who will pick up new Buick when they return in Sept. Dynaflow, radio, heater and all the Buick luxury. Low mileage, one-owner car that's absolutely spotless.

'56 Pontiac $795
Another one-owner local car that's had loving care since new. Fawn and beige with matching interior that's clean as a pin. This Pontiac is a Starchief 4-Dr. Custom Hardtop, which was the best Pontiac built in '56. It has power steering, hydramatic, radio, heater, w-w tires and all the extras.

'56 Chevrolet $695
Wonderful local car for the wife or family. It's a 210 2-Dr. club coupe with gas saving 6-cyl. engine and standard transmission, radio and heater. White with black top. A really nice little car for running around the county.

'55 Buick $545
Fire-engine-red convertible with all the extras like power steering, power windows, radio, heater, dynaflow, w-w tires. We sold this car new in '55 to local couple who have taken exceptional care of the vehicle since.

'54 Buick $525
4-Dr. Special sedan that is probably the cleanest, most well-cared-for car in town. One-owner car with only 50,000 miles on it. Arctic white with blue top. Not a scratch on the paint or a mark of wear on the original interior. Dynalow, radio, heater, w-w tires and all the extras.

Protests To Be Heard On Span Traffic Arches

Protests and support for the proposed traffic control arches across the Golden Gate Bridge will be heard by bridge directors at 10:30 a.m. May 10.

A special meeting of the bridge district's building and operating committee has been called by chairman Dan Del Carlo to hear public reaction to the three-quarter-million-dollar arch program. The meeting will be held in the board room at the toll plaza.

Hub Fire Case

Plea of McDonald Huffman, 35, on a charge of setting fire to his home in San Anselmo, was continued in Marin Superior Court to Monday. Huffman's daughter Donnie, 11, died in the fire at 110 Ivy Lane as she sought to rescue the family cat.

Annual Earwig Campaign Set In Novato Area

The annual earwig campaign of the Novato 4-H clubs will start at 9 a.m. Saturday.

Four-H members will go from house to house with the free bait. None of the bait will be left unless someone is there to receive it.

The bait is to be put around plants and areas where earwigs are found. It will also kill snails and slugs. Instructions are found inside each bag.

There is no charge made for the bait. However, contributions will be accepted to help defray the cost. Any extra money received goes to the 4-H clubs.

Serving On Cruiser

MEDALLION FOR BRIDGE BIRTHDAY

Sculptor Spero Anargyros displays his cast of commemorative plaque with which the Redwood Empire Assn. will dedicate the 25th anniversary of the opening of the Golden Gate Bridge on May 27. Struck from the plaque will be souvenir medallions available to collectors through coin dealers at the end of May. As part of the birthday celebration, the Redwood Empire Assn. will sponsor a civic luncheon at San Francisco's Hotel St. Francis on May 25.

MARIN BUSINESS And INDUSTRY

CHP Officer's Devotion To Safe Driving Leads To New Sideline

So devoted to the cause of good driving is traffic officer **Jim Greer** with the **California State Highway Patrol** that he has opened his own private driver training school. He is duly licensed and will operate it in addition to his patrol work.

Town and Country Driving School is the name, located at 4204 Redwood Highway North, San Rafael. Mostly evening hours are consigned to the work, but with daylight saving that's no problem. He has his own dual control car for teaching.

Jim says he tries to go beyond the mechanics of driving during his instruction by emphasizing good road habits. He lives at 222 Cobblestone Drive, Marinwood. Mrs. Greer will take calls.

AND SPEAKING of safety habits, congratulations are due **Brown-Ely Co.**, Greenbrae, for being able to pass out 15 safety awards to their men handling heavy equipment this year — 11 of them with three-year safety records.

Red Varner tells me that up to the time of the presentation the company had completed 751 days of operation without a disabling injury. During that time the drivers put in 180,000 man hours and transported 800,000 tons of aggregates.

Measured by **Dale Marr**, safety engineer with Operating Engineers Union No. 3 (said to be the only fulltime safety engineer with a union on the West Coast), this must be quite a record. He says 47 per cent of all "catskinner" accidents are caused by drivers getting on and off their machines.

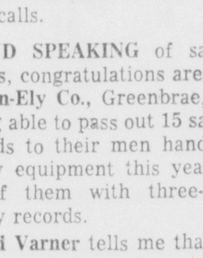

MARIN HOUSEWIVES enjoy more modern home conveniences than the rest of the state—except air conditioners and TV sets.

According to a **Marin Industrial Development Foundation** review of the 1960 U.S. Census of Housing, there are more warm air furnaces, built-in electric heaters, clothes washers and dryers, food freezers, telephones and automobiles per household than the state average.

In air conditioning, 97.1 per cent of our dwellings don't have it, compared to the state average of 90.5 per cent. We are a little short on homes with a single TV or radio, but heavier on two or more sets per dwelling.

INSTALLMENT BUYING is up again. But the biggest change now shows among families with incomes over $10,000. They have increased their installment debts from 38 per cent to 48 per cent in the last two years.

Habits, we are told—carried over from the time when they didn't make that much money.

Louis Concilio
THE GHOST WRITER WHO AIN'T

Since I've been writing these pieces I've been subjected to many inquiries, some serious, many more humorous.

Each response, regardless of its tone, is gratifying, however, since it is an indication that they are being read, anyway, and after all that is the basic purpose of the whole idea.

Most frequently I am asked, "Who writes your material, Lou?" And, "You sure have a wild imagination, what with these fiction items and your phobia about baloney."

To these questions I rise in righteous but good humored indignation. I employ no ghost writer, because what frustrated author would pass up such an opportunity to get his words in print? Since my college days, I've nurtured a dream of writing a book (and who of you now reading this has not also had this dream?), but never progressed beyond a catchy title and blank page headed Chapter 1.

To the second point, the inference of fiction, this too is not so. In 15 years in the automobile business one need not resort to fiction to tell of incidents or vignettes of personalities met along the way.

Of my seeming obsession to battle with the baloney peddlers I can say only this: To endure the presence of so many con artists and phoney pitchmen in the business in which you have spent the greater portion of your adult years is a hard cross to bear. It is appalling that these chaotic merchandising tactics exist in only two other activities to my immediate recollection—in the early years of TV set peddling and the present scourge of "factory furniture outlets."

If these modest efforts help in some small way to direct the spotlight on the tricksters in the auto business I love it will be well worth it.

I'd appreciate your comments. Call me at Ames Ford and tell me—even you tricksters.
